### **Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett April 25, 2015**

*"Dear Children! I am with you also today to lead you to salvation. Your soul is restless because your spirit is weak and tired from all worldly things. You, little children, pray to the Holy Spirit that He may transform you and fill you with His strength of faith and hope, so that you may be firm in this battle against evil. I am with you and intercede for you before my son Jesus. Thank you for having responded to my call."*

### **Commentary on the April 25, 2015 Message**

GRACE.....It is grace that has opened us to the gift of Our Mother in our midst. Our Lady leads us on the path to conversion and salvation. If not for grace, we would not be able to follow her lead. We can do nothing on our own. Our Lady refers to us as "children". Children cannot take the initiative to accomplish anything that they do not understand. They need to be led and taught. We are mere children on the spiritual journey. We need a leader. God has sent us the best – His and our Mother.

Mary knows that we are weak. We are often sidetracked on our journey. We lose focus and are easily

distracted along the way. This month She observes that our souls are restless because we are tired. Our worldly concerns have worn us down. In this state, we are in danger of getting lost. We may even forget that we are at war. When our defenses are down we are open prey for the enemy. Soldiers need to be alert at all times. They need to be able to anticipate the enemy's next move. We are soldiers in this battle against evil. When weak and tired, we are tempted to let prayer go by the wayside. We are tempted to put worldly concerns ahead of spiritual matters. Being tired and weak puts us in harms way for discouragement and negativity.

Evil has reached new and unprecedented levels. We must realize that the problems in our world are beyond humanity's ability to solve. What is the answer to our current problems? DIVINE MERCY.....I was able to go to Stockbridge, MA this year to celebrate Divine Mercy Sunday. 20,000 people gathered together on Eden Hill beneath a life-sized image of Jesus, Divine Mercy. The flood gates of Heaven were opened and the rays of God's mercy rained down upon the whole world. An extraordinary Baptismal Grace was bestowed on all those who fulfilled the requirements. Divine Mercy is the preparation that will precede the second coming of Christ. Divine Mercy is the remedy for the evil that plagues our world.

Our Lady has called us to pray to the Holy Spirit. Pope Francis has declared a year of mercy for the world. Special graces will be given during this extraordinary year of mercy. Mary calls us to pray for transformation. She is inviting us to pray during this special year of mercy for ourselves to be filled with strength of faith and hope. As the prince of this world strengthens its grip, we will need supernatural faith and hope. We need to remain firm. Christ has already won the battle.

“Brother will hand over brother to death, and the father his child; children will rise up against parents and have them put to death. You will be hated by all because of my name, but whoever endures to the end will be saved” (Matthew 10:21—22)

We are living in the days that try men’s souls. We are restless, distracted and fearful. But we are embraced by the Mercy of our loving God who will never abandon us. Our Mother intercedes always before the throne of Grace. We are victors with Christ who redeemed us by His Blood.

“Come Holy Spirit. Come by means of the Immaculate Heart of Mary, your well beloved Spouse.” Amen.

### Message Given to Mirjana Dragicevic-Soldo April 2, 2015

*“Dear children, I have chosen you, my apostles, because all of you carry something beautiful within you. You can help me to have the love, for the sake of which my Son died and then resurrected, win anew. Therefore, I am calling you, my apostles, to try to see something good in every creature of God, in all of my children, and to try to understand them. My children, you are all brothers and sisters through the same Holy Spirit. You, filled with love for my Son, can speak of what you know to all those who have not come to know that love. You have come to know the love of my Son, you have comprehended His Resurrection, with joy you cast your gaze towards Him. My motherly desire is for all of my children to be united in love for Jesus. Therefore, I am calling you, my apostles, to live the Eucharist with joy, because in the Eucharist my Son gives Himself to you anew and with His example shows the love and sacrifice towards the neighbor. Thank you.”*
