## **Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett December 25, 2022**

*"Dear children!*

*Today I am carrying my Son Jesus to you, that you may be His peace and a reflection of serenity and joy of Heaven. Pray, little children, to be open to receive peace because many hearts are closed to the call of the light which changes hearts. I am with you and am praying for you to open yourselves to receive the King of Peace, who fills your hearts with warmth and blessing.*

*Thank you for having responded to my call."*

## **Our Lady of Medjugorje's Message Given to Jakov Colo \* December 25, 2022**

*"Today, when the light of Jesus' birth is illuminating the entire world, in a special way, with Jesus in my arms, I am praying that every heart becomes a stable of Bethlehem, in which my Son will be born, so that your lives become a light of His birth. Little children, you live in peacelessness and fear. That is why, little children, today, on this day of grace, implore Jesus to strengthen your faith and to become the ruler of your lives; because, my children, only with Jesus in your lives will you not be looking at peacelessness but praying for peace and will live in peace; and you will not be looking at fear but at Jesus who frees us from all fears. I am your mother who ceaselessly keeps vigil over you and I am blessing you with my motherly blessing."*

## Commentary on the December 25, 2022 Messages

In the two messages to the world through Marija and Jakov, Our Lady brings us to the essence of Christmas. Our Blessed Mother carries her Son, Jesus, to us. She hopes to lay Him in the stable of our hearts. She desires to give us the greatest of Christmas gifts: peace, serenity and the joy of Heaven.

The Advent journey to Christmas is, or should be, the preparation that will open hearts to receive these wonderful gifts. Jesus is the reason for the season! However, many people get lost in the wrong direction. Too many get caught up in the material preparation for their Christmas celebration: shopping, decorating home and yard, planning dinner parties.

Hearts are closed to the light of Jesus' birth that illuminates the entire world. Jesus should be our focus! Our Lady reminds us that she is praying for all her children to open their hearts to receive the King of Peace. She invites her prayer warriors to be the spark of light that will change hearts. She leads us on the way of peace, serenity and joy. She desires to carry Jesus to all her beloved children. But too many are lost in the world.

Our Mother leads us on the holy way of conversion where we will meet Jesus who will strengthen our faith and be the ruler of our lives. She is always with us. Our Blessed Mother loves us and guides us to the only way to peace. She has been with us so long, through the visionaries in Medjugorje, to protect us as we suffer through the current storm of war, pandemic, hatred, violence, and atheism. She desires that all her children persevere until we reach the victory, the Triumph of her Immaculate Heart.

Mary is weeping for us in this unprecedented time of purification in the world. She is leading us to the ultimate goal – union

with her Son, Jesus, and a new era of peace. As we celebrate the remainder of the Christmas Season ponder this: "Each of us is an innkeeper who decides if there is room for Jesus." May we open the inn of our hearts to Jesus and follow our Blessed Mother through the darkness into His marvelous light.

*\*At the last daily apparition to Jakov Colo on September 12th, 1998, Our Lady told him that henceforth he would have one apparition a year, every December 25th, on Christmas Day.*
