## **Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett February 25, 2021**

*Dear Children!*

*God has permitted me to be with you also today, to call you to prayer and fasting. Live this time of grace and be witnesses of hope, because I repeat to you, little children, that with prayer and fasting also wars can be suppressed. Little children, believe and live this time of grace in faith and with faith; and my Immaculate Heart does not leave any of you in peacelessness, if you have recourse to me. I intercede for you before the Most High and I pray for peace in your hearts and for hope for the future. Thank you for having responded to my call.*

## **Commentary on the February 25, 2021 Message**

*"The disciples came to him privately, saying, "tell us, what will be the signs of your coming and the close of the age?" ... Jesus answered them, "...many will come in my name, saying, I am the Christ, and they will lead many astray. And you will hear of wars and rumors of wars; see that you are not alarmed; for this must take place, but the end is not yet. For nation will rise against nation, and kingdom against kingdom, and there will be famines and earthquakes in various places; all this is but the beginning of the sufferings.....for then there will be great tribulation, such as has not been from the beginning of the world until now, and never will be again...when you see all these things, you know that he is near, at the very gates. Truly, I say to you, this generation will not pass away till all these things take place. Heaven and earth will pass away, but my words will not pass away." ... But he who endures to the end will be saved". (Matthew 24)*

This Lenten message from our Mother Mary awakens us to the power of Lent. Our Lenten journey throughout these forty days is strewn with extraordinary graces. We often underestimate the treasure trove of prayer and fasting! Our mother must repeat to us with great emphasis that the weapons of prayer and fasting have the power to suppress wars!

In these days of pandemic, lockdown, and isolation we have all been shaken. There seems to be no peace. We are hearing that suicide rates are increasing. Divorces are also more prevalent. Small businesses are shutting down. Our economy is predicted to collapse in the near future. We have been hearing that our military forces are stationed offshore at various places. Hatred, civil unrest, and rumors of war loom over our head. We sometimes wonder what is real. What is illusion?

- This is real – Our Lady is with us!
- This is real – The power of prayer and fasting can suppress war!
- This is real – The Immaculate Heart of Mary will not leave us peaceless!
- This is real – There is hope for our future if we have recourse to Mary!

We are at war! We are fighting powers and principalities unseen. Satan is reigning in these times of darkness, sin, and death. So many souls are living an illusion. They have succumbed to the father of lies. Satan has substituted the false gods of honor, wealth, and power in the place of God Almighty – the one, true God!

Our Lady is offering us a grace-filled opportunity during these 40 days in the desert of Lent. May our heartfelt prayer, fasting, and almsgiving have the power to suppress this spiritual war! Prayer warriors, recognize and answer her call while we are still in the time of grace. Be witnesses of hope! Believe and live this season of grace with faith. Our prayers and fasting will suppress Satan's plan of destruction. Our Lady will crush the head of the serpent, Satan, and the Triumph of her Immaculate Heart will be the hope for our future!
