Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett January 25, 2020

*"Dear Children,
Today I call upon you to pray even more,
until you feel the holiness of forgiveness in
your heart. In families there must be holiness
because, little children, without love and
without holiness there is no future for the
world; for it is in holiness and in joy that you
give yourself to God the Creator who loves you
with an immense love. That's why He sends me
to you.*

Thank you for answering my call".

Commentary on the January 25, 2020 Message

*"Be kind to one another, tenderhearted, forgiving
one another, as God in Christ forgave you".
(Ephesians 4:32)*

Our Lady's first call to us in this new year is to

pray more. She calls us to search our hearts for any areas of unforgiveness. Do we need to forgive anyone for recent or past hurts (especially within our families)? Do we need to forgive ourselves for past sins or failures? Mary equates forgiveness with holiness. We cannot be holy unless all grudges, resentments, and anger are resolved.

Forgiveness is a willingness to restore what has been broken. It is a giving up of our rights of retribution. Forgiveness is a testimony of the grace God has given us. An unforgiving heart gives Satan the opportunity to enter the door of our heart.

Families are domestic churches. Holiness must begin there. If families become divided – harboring anger, selfishness or hostile disagreements there "is no future for the world", says Our Lady! When all is right in the family, there is joy. This is the starting point on the journey to holiness.

"But just as He who called you is holy, so be holy in all you do, for it is written: "Be holy because I am holy". (1 Peter 1:15-16)

Holiness is God's love for us. We can never be holy on our own initiative. Holiness is a response to grace. It is a way of life in communion with the Trinity. A holy family is a strong family – radiating God's love and purpose for humanity. There can be no selfishness, pride, or arrogance. Holiness is synonymous with service.

Our Lady is inviting us to reach the ultimate goal for Christians. When living a holy life all things are possible. Mountains are moved and the Kingdom of God becomes closer. Holiness is the essence of God's Holy Spirit within us. Holiness is the conduit from which all other virtues flow. It is the answer to our world's problems. The further we are separated from God, the worse society has become. During this dark time where Satan seems to have the upper hand, Our Lady's message reminds us that holiness of life has become mandatory!

Because of God's immense love and mercy, He has sent His Mother to us to light our path. With her guidance, we have all we need to return wholeheartedly to God.

Lately Mirjana has been sad. When asked why, she replied, "If you knew what I know you would also be like me." Mirjana carries the weight of the 10 secrets told to her by Our Lady of what will happen to humanity in a very near future. The first secret will happen in Medjugorje. The seventh has been eliminated due to our prayers; but the last four will be heavy for the world.

We MUST respond to Our Lady's messages as she prepares us for a new era!

Our Lady of Medjugorje's Message Given to Mirjana Dragicevic-Soldo January 2, 2020

*"Dear children,
I know that I am present in your lives and
in your hearts. I feel your love, I hear your
prayers and direct them to my Son. But, my
children, according to motherly love, I desire to*

*be in the lives of all of my children. I desire to
gather all of my children around me, beneath
my motherly mantle. This is why I am inviting
you and calling you, apostles of my love, to
help me. My children, my Son pronounced the
words of the 'Our Father'- Our Father, [you]
who are everywhere and in our hearts - because
He desires to teach you to pray with words
and feelings. He desires for you to always be
better, to live merciful love which is prayer
and limitless sacrifice for others. My children,
give to my Son love for your neighbours, give
words of consolation, compassion and acts of
justice to your neighbors. Everything that you
give to others, apostles of my love, my Son
accepts as a gift. I am also with you, because
my Son desires for my love, as a ray of light, to
bring your souls to life; for me to help you in
the search for peace and eternal happiness.*

*Therefore, my children, love one another, be
united through my Son, be children of God
who all together, with full, open and pure
heart, pronounce the 'Our Father'. And do not
be afraid! Thank you."*
