## **Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett January 25, 2021**

*Dear Children!*

*I am calling you at this time to prayer, fasting, and renunciation, that you may be stronger in faith. This is a time of awakening and of giving birth. As nature which gives itself, you also, little children, ponder how much you have received. Be joyful bearers of peace and love that it may be good for you on earth. Yearn for Heaven; and in Heaven there is no sorrow or hatred. This is why, little children, decide anew for conversion and let holiness begin to reign in your life. Thank you for having responded to my call".*

## **Commentary on the January 25, 2021 Message**

*".... You know what hour it is, how it is full time now for you to wake from sleep. For salvation is nearer to us now than when we first believed; the night is far gone, the day is at hand. Let us then cast off the works of darkness and put on the armor of light...." (Romans 13:11-12)*

Our Lady is calling us in this month's message to "put on the armor of light". It is time for the rubber to meet the road! She wants our faith to be stronger through prayer, fasting and renunciation. We, who have been consecrated to Our Lady, have been formed and called to be prayer warriors, and given great graces of conversion. We were born for such a time as this! We were called to be cohorts with our Mother to "be joyful bearers of peace and love". We were formed to be witnesses to a new birth—the

promised Triumph of the Immaculate Heart.

The whole world will awaken from the death of sin and a new era of peace will be ushered in. The stage has been set. Satan's evil plots have been exposed. The time is now to step up to the front line, clothed in spiritual armor with the weapon of our rosary in hand. The world is in a deep chasm. Evil is ruling. We are at a pivotal moment in time – a crossroad between good and evil. Hatred and unrest are growing from day to day. Depression and anxiety burdens hearts. We can change everything and heal the world! Our prayers, joined to our Mother, Mary, will be heard! For this victory we were born and called into action!

Our Lady has been building an army of people since Her apparitions began in Medjugorje in 1981. Several people have been consecrated to Her Immaculate Heart. She has been our drill sergeant for all this time. She is now calling us to be born anew. Be awakened to the signs of these times. We have been climbing to the peak for the last 40 years. We are in the moment! She is united with us in prayer so that the dream may be fulfilled – the triumph over evil – the Triumph of the Immaculate Heart. For this victory, we have been waiting and hoping since the apparitions of Fatima.

It is the hour of decision. We must humbly commit our soul and body to the merciful protection of Jesus and Mary. Our faith must grow stronger through prayer, fasting and renunciation in the presence of Jesus who has purchased and prepared us for eternal glory. Now we must keep our hearts fixed on Him, yearn for Heaven and try with all our souls to please our dear Mother and blessed Lord. We will let holiness be the banner over us. Our hearts will not be troubled. We believe in God and in His promises. Amen!
