Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett January 25, 2022

"Dear Children!

Today I am calling you to return to personal prayer. Little children do not forget that Satan is strong and that he wants to attract all the more souls to himself. That is why you be vigilant in prayer and resolute in the good. I am with you and am blessing all of you with my motherly blessing.

Thank you for having responded to my call".

Commentary on the January 25, 2022 Message

"Whenever you pray, go to your room. Close the door and pray to your Father in private. In your prayer do not rattle on like the pagans". (Matthew 6:6-7)

Again, in this message Our Lady calls us to prayer. She has emphasized prayer in all her messages for over 40 years of Her apparitions in Medjugorje. Often, she began Her messages with the admonition to "pray, pray, pray"! In this message, Mary calls us to "personal prayer". Let us ask ourselves if we have a personal relationship with God. Let us reflect on our prayer life. Besides our learned prayers, the Holy Rosary, chaplet of Divine Mercy, and the many other prayers we recite often, Our Lady is inviting us to go deeper. First, enter into an atmosphere of silence. Put yourself into the holy presence of God. Silence your heart and mind. Abandon your heart to

Him. Talk to Him. Tell Jesus everything. Then listen to Jesus speak to your heart. Heart speaks to heart! Know that His presence is with you – within you. Run to Him in this state of contemplative prayer. Let Him enfold you in His loving arms.

In this message, Mary expects us to be vigilant. Stay awake! She reminds us that in this time, Satan is particularly strong!

“Be on your guard and stay awake. Your enemy, the devil, is like a roaring lion looking for someone to devour”. (1 Peter 5:8)

Our Mother is not trying to frighten us. We are her children. She is giving us all the guidance and protection that we need to continue our journey. She wants us to remain committed to prayer. In fact, our lives should be a constant prayer. She wants us to remain “resolute in the good”. We must never tire of acts of charity. We must remain in the state of grace, attend Mass as often as possible and receive the Sacrament of Reconciliation at least once a month.

Never forget that our mother is always with us. She is our light in the darkness of these perilous times. We are imbued in Her motherly blessing of love.

Come, Pray the Rosary!
