## **Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett July 25, 2020**

*"Dear Children! In this peaceless time in which the devil is harvesting souls to draw them to himself, I am calling you to persevering prayer, so that in prayer you discover the God of love and hope.*

*Little children take the Cross in your hands. May it be your encouragement for love to always win, in a special way now when the Cross and faith are rejected. You be a reflection and an example with your lives that faith and hope are still alive and a new world of peace is possible. I am with you and intercede for you before my Son, Jesus. Thank you for having responded to my call".*

### **Commentary on the July 25, 2020 Message**

Our Lady wants us to find peace because we are surrounded by voices of fear. The media is playing

on this fear to keep people living under control. It is their hidden agenda. But Our Lady comes to us during this time of fear and confusion with a hidden heavenly agenda!

In today's world and in today's families, it is important to pray because Our Lady tells us the world is spiritually sick! This is the diagnosis of our Mother. The world will not find any physical healing except through being spiritually healed. For Mary's little children, prayer leads to peace, which leads to spiritual healing, with leads to physical healing, or even immunity. We must not succumb to fear. We must commit to persevering prayer. It will be through prayer that we discover the God of love.

In this message, Our Lady tells us that "the devil is harvesting souls to draw them to himself". We are currently fighting a dual war – the invisible enemy of corona virus and the invisible enemy of Satan. We are distancing ourselves from people who may be carriers of Covid 19; hoping and praying that we do not breathe into our bodies the particles of

the virus. Spiritually, we are distancing ourselves from the near occasion of sin; hoping and praying that the spirit of evil does not enter our souls. We are protecting ourselves with masks to prevent the particles of disease from entering us. Spiritually, we are protecting ourselves with the weapons of spiritual warfare: prayer, fasting, daily Mass, Confession, Scripture, and the Rosary.

The invisible enemy of Covid 19 is spreading and claiming many thousands of lives. The invisible enemy of Satan and his legions are spreading evil, hatred, idolatry, and lies -- leaving us in a path of destruction and many spiritual deaths.

Our Lady asks us to "take the Cross in our hands". Indeed, we are carrying the Cross in these days. We, the Church, are bearing the Cross. It is for us the symbol of love and victory over evil. Our Mother asks us to be reflections and examples through our lives that faith and hope are still alive amidst a world devoid of faith. Through our faith, hope, and love, we are called to evangelize the lost souls. Through our witness and Our Lady's guidance, many will come to believe that "a new world of peace is possible".

The devil has sown rebellion, division, and hatred. God is fashioning hearts and evil never has the last word. The harvest is near. *"The righteous will shine like the sun in the Kingdom of their Father. Whoever has ears ought to hear"*. (Matthew 13:42-43)

Dear Blessed Mother, We, your little children, come to you within the refuge of your Immaculate Heart asking for your intercession. Please ask your Son, Jesus to end this scourge upon our world. We beg for your protection against the attacks of the devil. We ask for the grace to persevere in prayer, faith, hope, and love. With you by our side, we are encouraged and confident that we will see a new world of peace. Stay with us. Amen.
