Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett July 25, 2021

"Dear children,

I am calling you to be prayer for all those who do not pray. Little children, witness with your lives the joy that you are mine and God will heed your prayers and give you peace in this peaceless world where pride and selfishness reign. Little children, you be generous and be the love of my love, so that pagans can feel that you are mine and convert to my Immaculate Heart. Thank you for having responded to my call".

Commentary on the July 25, 2021 Message

This July message reassures us, Mary's little children, that consecration to her Immaculate Heart is the surest way to Jesus and the safest way through these perilous times. Our Lady's concern in this message is for those souls who are far away from God - pagans who are caught up in the culture of death - people who are immersed in the evils sown by the enemy. Our Lady tells us that two of these evils are pride and selfishness.

We, the consecrated little children of Mary, have come a long way! We responded to her call. Many of us were called to make a pilgrimage to Medjugorje where seeds of faith, hope and love were planted within our hearts. For many, it was on these hallowed grounds that we received the grace to respond to the call to go back to our communities and be witnesses of Truth and Faith and the certainty that God exists! For many others, it was the testimony of our experiences in Medjugorje and the way that those experiences affected our lives, that set them on the path of conversion.

Our Lady calls us this month to bear much fruit. To those of us who have been given much, much is expected! First, our mother asks us to continue to be witnesses of our faith by living lives of faith, hope, and love. How do we witness effectively?

- Through our commitment to prayer, especially the rosary.
- Daily attendance at Mass.
- Fasting and making sacrifices.
- Acts of charity.
- Remaining in the state of grace.

Our mother asks us to be joyful that we are consecrated to her. Many will wonder what or who is the cause of our joy, our hope, and our peace. This is the most effective way to be witnesses of light in this dark and peaceless world.

Our Lady assures us that God will “heed our prayers and give us peace”. She asks us to be generous. She expects us to be love – to be messengers of her love. It will be through our example of love that many will be attracted to the one, true love of God.

Our Lady wants all her children to come. Hurry! Do not delay! The present hour is critical. Be converted to the Immaculate Heart of Mary while the floodgates of Divine Mercy are still open.

‘At midnight, there was a cry, “Behold, the bridegroom! Come out to meet him! Those who were ready went into the wedding feast with him. Then the door was locked....Afterwards others came and said, “Lord, Lord, open the door for us!” But he said in reply, ‘Amen, I say to you, I do not know you’.... Therefore, stay awake, for you know neither the day nor the hour’’. (Matthew 25 – The Parable of the Ten Virgins)
