Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett July 25, 2023

"Dear Children, in this time of grace, in which the Most High sends me to you to love you and guide you on the way of conversion, offer your prayers and sacrifices for all those who are far away and have not come to know God's love. You, little children, be witnesses of love and peace for all peaceless hearts.

Thank you for having responded to my call."

Commentary on the July 25, 2023 Message

"For the grace of God has appeared, that offers salvation to all people. It teaches us to say "NO" to ungodliness and worldly passions, and to live self-controlled, upright, and godly lives in this present age." (Titus 2:11-12)

As the many years have passed through which our Blessed Mother has been with us and has assured us that we are living in a time of grace. The Bible tells us that where sin prevails, grace abounds! We are living in dark times and God Almighty has given us the greatest gift of grace – the Queen of Heaven and earth.

So that we will understand the signs of these times, we must also understand the power of divine grace. Grace is the most important concept taught in the Bible. Simply put – grace is the unmerited, unearned love and favor of God brought to us through the heart of our Blessed Mother. Divine grace is given to us as a gift of love from God. Grace cannot be earned; it is something that is freely given. It is the bridge God built in our relationship with Him both in the Old Testament, the New Testament, and in this present time of purification.

If we have never felt worthy of God's grace, we just need to spend some time reading the Old Testament. We would discover that no one is worthy of God's grace. God's grace infuses Noah's story. Grace endures in spite of Abraham and Sarah's unbelief. God's grace for Joseph gave him strength to persevere. Moses doubted God at every turn; yet God graciously guided him. The Israelites repeatedly rebelled against God; yet He rescued them; and David is the ultimate example of God's unmerited favor. God's grace in the Old Testament is unavoidable. The Bible is filled with examples of humans who sin and a God who forgives.

As we can see from these Old Testament examples, there is hope for our fallen world! There is hope for those who are far away and have not come to know God's love. There is hope for all "peaceless hearts".

The "Most High" has sent us our Blessed Mother "to love and guide" us. Grace is flowing to us and through those of us who have responded to her call. Divine grace is abounding through our

prayers and sacrifices for the lost souls in these times. Graces will flow in this world through our witness of love and peace.

The time is now for each of us to be witnesses of our faith, our hope, and our love. The greatest of these is LOVE!
