Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett June 25, 2022

"Dear Children! I rejoice with you and thank you for every sacrifice and prayer which you have offered for my intentions. Little children do not forget that you are important in my plan of salvation of mankind. Return to God and prayer that the Holy Spirit may work in you and through you. Little children I am with you also in these days when Satan is fighting for war and hatred. Division is strong and evil is at work in man as never before. Thank you for having responded to my call."

Commentary on the June 25, 2022 Message

"God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away." (Rev. 21:4)

In this message Our Lady is rejoicing with us and thanking us for every sacrifice and prayer for Her intentions that we have offered to God through Her intercession. God has accepted our prayers and sacrifices. Our Lady is "joyful" because our prayers and sacrifices will bear much fruit!

The fact that the decision to overturn Roe v Wade by the Supreme Court came on the Feast of the wounded Sacred Heart of Jesus is no coincidence! The Heart of Jesus has been wounded by the death of over 60 million aborted babies. Could the prayers and sacrifices of Our Lady's little children joined with our mothers' prayers have borne the fruit of this amazing grace? God heard our prayers and bestowed upon our country amazing grace. Our Lady is rejoicing with us!

In this message Our Lady tells us that we are important in her plan of salvation for the world. Now we must work even harder and with great conviction to educate people and bring the light of God to the lost and forsaken. Praise God who has called and formed us for this mission through the guidance of His Immaculate Mother who has remained with us in her presence and messages of Medjugorje. It will only be through continuous prayer and sacrifice, most especially reception of the Holy Eucharist, and the weapon of our Rosary that the Holy Spirit will be able to work in and through us. Indeed, we have much for which to be grateful. We rejoice with our mother!

However, we must not waver. We must stay alert, remain in the state of grace, defend the truth of the Gospel. We must stay united with Mary always seeking her protection in this war against the power of Satan. In this message, Our Lady reminds us that she is with us in these dark and dangerous times. We are called to spread love where there is hatred. Division is breaking up families, government, and even churches. We are called to unite as spiritual warriors in enclaves of prayer. Evil is reigning. Satan's venom is falling like rain in our world. We are called to seek holiness – pray every day for the grace we need for conversion of heart and mind. We are living in unprecedented times. We will not waver. Our Lady is our guide. We will not fear. God's peace enfolds us through the Eucharist. We will stand tall as Our Lady's spiritual warriors because we know that Mary will crush the head of Satan with her heel – her little children. We await the Triumph of the Immaculate Heart of Mary. We will rejoice with our mother because she is with us now in our suffering; we will be with her in her Triumph.

Mary, Queen of Peace, pray for us!
