Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett June 25, 2023

"Dear Children !

*The Most High permits me to be among you --
to pray for you, to be a Mother to you and to
be your refuge.*

Little children, I am calling you:

*return to God and to prayer and God will
bless you abundantly.*

Thank you for having responded to my call."

Commentary on the June 25, 2023 Message

*"Be strong and courageous. Do not be afraid or
terrified because of them, for the Lord your God goes
with you: He will never leave you nor forsake
you." (Deuteronomy 31:6)*

Our Lady's June message is brief but leaves us with a lot to ponder! We must never forget or take for granted that, "the Most High" has permitted Mary to be here with us. Simply put: Mary, our mother, is here! She has been with us in Medjugorje for 42 years! The more complicated question is: why has God permitted Our Lady to stay with us, guiding us, for so long?

Our world has become a battlefield! Satan is having his moment! He is like a roaring lion seeking to destroy everything. He is seeking to destroy our peace, our faith, and our very soul!

We are living amidst hatred, murder, corruption, confusion, and godlessness.

For 42 years, Mary has been with us to fight this fight for us. She only asks us to keep the faith through prayer, fasting, Sacraments, especially the Eucharist. We do not have to fight this spiritual battle alone! God has permitted our mother to do so. The Blessed Mother will ultimately crush the head of Satan with Her heal – her prayer warriors!

This month our mother reminds us to listen to the whisper of God so that we can return to Him, to love Him, to remain on the path to holiness. God knows that we have our moments. We waver in our faith. At times, we are fearful and filled with doubt and confusion. We get lost along the narrow path to holiness. We are human; therefore, we are tempted to stray and turn to the world for help.

Our Lord carried the weight of our mistakes. He has told us not to fear. He is our salvation. He is our hope and has given us a sure way to remain on the narrow path and not be afraid. He gave us His mother and ours! She will make sure that we remain with God, commit to prayer, fast, and receive the Sacraments. We are her little children. She is aware of the temptations that the enemy lays before us. She is aware of the evil that is rampant in these times. She is protecting us, her little ones. She understands our fear. Our Mother has assured us that she is praying for us. She is our mother, our refuge, and our intercessor in all our needs. Mary is our safe refuge, a fortress where the enemy cannot reach us. We must remember that the opposite of love is fear!

Our Lady's Message to Ivanka on June 25, 2023

The visionary Ivanka Ivankovic-Elez had her regular annual apparition on June 25th 2022. At her last daily apparition on May 7, 1985, Our Lady confided to Ivanka the 10th secret and told her that she would have an apparition once a year on the anniversary of the apparitions. It was that way also this year. The apparition, which lasted 7 minutes, took place at Ivanka's family home. Only Ivanka's family was present at the apparition. After the apparition, Ivanka said: Our Lady gave the following message:

"Little children, I am in need of your prayers.

Pray, pray, pray."
