Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett June 25, 2011

"Dear children!

Give thanks with me to the Most High for my presence with you. My heart is joyful watching the love and joy in the living of my messages. Many of you have responded, but I wait for and seek all the hearts that have fallen asleep to awaken from the sleep of unbelief. Little children, draw even closer to my Immaculate Heart so that I can lead all of you toward eternity.

Thank you for having responded to my call."

Commentary on the June 25, 2011 Message

"Give thanks...."! How grateful we are for 30 years of Our Lady's presence and messages! After reading this message, I identified with Elizabeth as she proclaimed, '...and how does this happen to us that the Mother of our Lord should come to us'? (Luke 1:43) Our Mothers' presence for 30 years – a great gift from the Most High – is the cause of our joy and our gratitude to spill out of our hearts much like Mary's own gratitude after the

visit from the Angel Gabriel. 'My soul proclaims the greatness of the Lord and my spirit rejoices in God my savior...for He has looked with mercy on *our* lowliness; behold, from now on will all ages call *us* blessed. The Mighty One has done great things for *us*, and holy is his name....' (Luke 1:46-49)

Like Elizabeth, who among us is not acutely aware of our own lowliness in the face of such an efficacious event as Our Lady's visitation? For thirty years, She has continually called, formed, nurtured and protected us. For thirty years, our Mother has carried us within the womb of Her Immaculate Heart....for such a time as this!

Her Immaculate Heart – presented to us at Fatima through the visionary Lucia – has become our refuge and the ark of our salvation. It is in the cradle of her Immaculate Heart that she has gathered all of her children. It is here in the Garden of her Immaculate Heart that she has planted the seeds and provided the water and the light needed to grow the apostles of these last days. It is here in the battlefield of Her Immaculate Heart, that she has prepared and armed us for the decisive and conclusive battle with Satan.

Who could not be grateful for such privilege. Indeed,

what we have become and will become proclaims the greatness of the Lord. Our on-going conversion happens only because the Most High has looked with mercy on our lowliness. On that blessed day - when all that is now withheld from the learned and the wise - is revealed, we, Our Lady's dear children, shall be called blessed! It will be made known - on that day - that the Mighty One has done great things for us through our Mother Mary. The glory belongs to God alone!

Who could not be grateful with Mary as she joyfully watches as the seeds of conversion that she has planted within us for thirty years now is coming to fruition as she observes that many have responded to her call.

Even though we have occasion to celebrate these thirty years of apparitions in Medjugorje, Our Lady gives us a reality check in this message. She is still waiting and seeking "all the hearts that have fallen asleep to awaken from the sleep of unbelief". In our day to day living, whether at work, home or play, we are reminded at every turn, that many people we know and love remain asleep to the signs of these times and the urgent call of Mary. We cannot slacken in our response to Our Lady's call. Live the messages - all day, every day - and live them in union with Our Lady's Immaculate Heart. Eternity is just a breath away!

Message Given to Mirjana Dragicevic-Soldo June 2, 2011

Dear children! As I call you to prayer for those who have not come to know the love of God, if you were to look into your hearts you would comprehend that I am speaking about many of you. With an open heart, sincerely ask yourselves if you want the Living God or do you want to eliminate Him and live as you want. Look around you, my children, and see where the world is going, the world that thinks of doing everything without the Father, and which wanders in the darkness of temptation. I am offering to you the light of the Truth and the Holy Spirit. According to God's plan I am with you to help you to have my Son, His Cross and Resurrection, triumph in your hearts. As a mother, I desire and pray for your unity with my Son and His works. I am with you; you decide. Thank you.

Regular Annual Apparition to Ivanka Ivankovic-Elez

The visionary Ivanka Ivankovic-Elez had her regular annual apparition on June 25th 2011.

At Her last daily apparition on May 7, 1985, Our Lady confided to Ivanka the 10th secret and told her

that she would have an apparition once a year on the anniversary of the apparitions. It was that way also this year.

The apparition, which lasted 8 minutes, took place at Ivanka's family home. Only Ivanka's family was present at the apparition. After the apparition, Ivanka said: "Our Lady spoke to me about the first secret and, at the end, said: 'Dear children, receive my motherly blessing.'"

Finger Lakes Marian Conference Afterglow

The Queen of Peace Apostolate marked the 30th Anniversary of Mary's Apparitions in Medjugorje with the Finger Lakes Marian Conference. The celebration at the Smith Opera House in Geneva was more than we had hoped.

The speakers delivered their inspired talks with a passion that awakened the spirit of Our Lady's messages and mission in the hearts of all who attended.

Jerry Morin reiterated the basics of Our Lady's call to conversion. Although these times are decisive, special moments of grace and Our Lady's call is urgent, Jerry's theme of 'Be Not Afraid' was encouraging and brought us peace. Jerry, filled with the Holy Spirit and empowered by his recent call to begin Servants To The World Ministry, captivated the audience with his faith, love of Our Lady, and beautiful music. Jerry's talks left us immersed in a spirit of gratitude for the gift of Our Lady's presence among us and the treasury of our Catholic Faith, which is all that we will ever need.

Fr. Neil Buchlein brought us the gift of the Eucharist through his powerful talks as well as the Healing Service at the end of the day! Having received the great gift of healing, Fr. Neil has been called to the 'front lines' of battle with Our Lady and Her army of souls. Fr. Neil shared the Eucharistic Miracles that he has witnessed within his own parish. His talks awakened us to deeper levels of appreciation and awareness of how very different our lives would be if we lived the reality of Jesus' real presence within and among us through the Eucharist. He began the Healing Service by walking Jesus in the Monstrance among the people before laying hands on each and every attendee.

Lena Shipley highlighted the main messages of Our Lady's apparitions in Lourdes, Fatima and Medjugorje and presented these apparitions in the perspective of a day! Our Lady appeared in the morning in Lourdes, noon in Fatima and the evening in Medjugorje. As this day comes to an end in Medjugorje, we see the common thread that runs through these visitations and the

urgency in their call for conversion. Lena highlighted the basic plan of conversion that Our Lady repeats often in her monthly messages to the world. Her talk ended with the passing on of the torch of Our Lady's special blessing given to pilgrims on special feast days.

The fruit of the conference can be summed up with the spiritual healing of one who attended and shared her story:

"I was at a point in my life where I did not want to go to Mass. I was not praying or fasting. I couldn't pray! I felt lost, depressed and isolated. It was as though I was suspended in a very dark place. Had it not been for a last minute grace, I would not have attended the conference. Sunday morning, I woke up with an intense desire to begin to say the Rosary and fast on Wednesdays and Fridays again. I felt like I awoke from a nightmare. I want more than ever to go to confession. I feel alive again."

The committee still receives stories such as these! We are humbled and grateful that we had a dream a year ago and worked with Our Lady to make that dream come true. Thank you to those who responded to Her call and came to the conference.
