Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett June 25, 2015

"Dear Children! Also today the Most High gives me the grace to be able to love you and to call you to conversion. Little children, may God be your tomorrow and not war and lack of peace; not sorrow but joy and peace must begin to reign in the heart of every person – but without God you will never find peace. Therefore, little children, return to God and to prayer so that your heart may sing with joy. I am with you and I love you with immeasurable love. Thank you for having responded to my call."

Commentary on the June 25, 2015 Message

All is grace! Our Lady calls our attention this month to the truth that God has given her the grace to give us these monthly messages. All that we are, all that we have, what we do for the good of humanity, how we respond to God's love, our desire to pray – these are free gifts of God's love. Everything is grace – unmerited free gifts of a loving God. God has given the grace to our Holy Mother to love us and call us to conversion.

We, in turn, are offered grace to respond to her call. Without grace we cannot make a return to God for his infinite love. But all things are possible only through and in our Most High God.

We are living through times of great crisis. Daily we read or hear of threats from terrorists, wars fought in the name of religion, murders, natural disasters, crisis within the family. It would seem that evil is reigning. The devil is having his day! Our youth have become victims of a relativist culture. There seems to be no absolute truth anymore. Hearts are divided. Where is peace? Peace is illusive in these times in which we are living.

The Psalmist proclaims, "Rejoice in the Lord always. Again I say rejoice". As Christians we have the right and the privilege to live in this joy in the Lord. Yet, we are troubled, anxious and fearful. Where is the joy? Our Lady comes this month to remind us to let God be our tomorrow and not war and lack of peace; not sorrow, but joy and peace. Once again, She shows us the way to joy and peace which is so lacking in our world today. Sorrow is everywhere. Our Lady is trying to help us understand that joy and peace are possible despite the circumstances around us. Peace and joy can reign in our hearts only through God. It is a matter of personal choice. Grace can and will overcome through

trials and suffering. This message invites us to look at life through Our Lady's lens. We must choose God to be our tomorrow and our today. We must begin to see every circumstance in our lives as building blocks to God. His grace is sufficient! Prayer is the key – the open door – the way to peace and joy. When we return to God with our whole heart – not half-heartedly – our hearts will sing for joy.

As we begin each day anew, let us diligently try to look at life – our heartaches, pain and suffering within and around us – through the heart of our Holy Mother and remember that she loves us “with immeasurable love”. Let us take daily prayer time to contemplate what it means to be loved immeasurably! If we are faithful to this contemplative prayer, joy and peace will flood our souls.

Thank you, Holy Mother, for your immeasurable love! Amen.

Message Given to Mirjana Dragicevic-Soldo June 2, 2015

“Dear children, I desire to work through you, my children, my apostles, so that, in the end, I may gather all my children there where everything is prepared for your happiness. I am praying for you, that through works you can convert others, because the time has come for acts of truth, for my Son. My love will work in you - I will make use of you. Have trust in me, because everything that I desire, I desire for your good, the eternal good created by the Heavenly Father. You, my children, my apostles, are living an earthly life in union with my children who have not come to know the love of my Son, who do not call me ‘mother’ - but do not be afraid to witness Truth. If you are not afraid and witness courageously, the truth will miraculously win, but remember, strength is in love. My children, love is repentance, forgiveness, prayer, sacrifice and mercy. If you will know how to love, by your works you will convert others, you will enable the light of my Son to penetrate into souls. Thank you. Pray for your shepherds. They belong to my Son. He called them. Pray that they may always have the strength and the courage to shine with the light of my Son.”

Our Lady Queen of Medjugorje's Annual Apparition of June 25, 2015 to Ivanka Ivankovic-Elez

Ivanka Ivankovic-Elez had daily apparitions from June 24, 1981 to May 7, 1985. On that day, Our Lady told her:

“My dear child, today is our last meeting, but do not be sad because I will come to you on every anniversary except

this one. My child, do not think that you have done something wrong, and that's why I no longer come. No, this isn't true. The plan which my Son and I have, you accepted with all your heart and completed your part. Be happy because I am your mother and I love you with all my heart. Ivanka, thank you for having responded to the invitation of my Son and for persevering and for always being close to Him and staying until He had completed that for which He asked of You. My child, tell your friends that both I and my Son will always be there for you when you seek or call us. That which I told you during these years about the secrets, it is still not time to tell anyone. Ivanka, the grace which you and the others received, nobody on this earth has received up until now!”

Confiding to her the tenth secret, Our Lady told her that for the rest of her life, she would have one yearly apparition on June 25th, the anniversary of the apparitions.

The visionary Ivanka Ivankovic-Elez had her regular annual apparition on June 25th 2015.

The apparition took place at Ivanka's family home with only Ivanka's family present. The apparition lasted 4 minutes. After the apparition, Ivanka said:

“Our Lady gave us Her motherly blessing and said: Peace, peace, peace.”
