Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett

June 25, 2018

"Dear children! This is the day that the Lord gave me to give Him thanks for each of you, for those who have converted and have accepted my messages and have set out on the way of conversion and holiness. Rejoice, little children, because God is merciful and loves you all with His immeasurable love and leads you to the way of salvation through my coming here. I love you all and give you my Son that He may give you peace. Thank you for having responded to my call."

Commentary on the June 25, 2018 Message

The Queen of Peace Apostolate celebrated the 37th anniversary of Mary's apparitions in Medjugorje as we have done for over 30 years starting with the Rosary, the Sacrament of Reconciliation, Adoration of the Blessed Sacrament, Holy Mass and prayers for healing. Something was different this year. Many people in attendance shared with me that they were touched in a way that they could not explain. People were in tears and told me they experienced chills down their spine. Truly Our

Lady was present with Her Son as she indicated in her message. It was as though the Heavens opened and a dew fall of grace descended upon us. Even though we have celebrated this blessed event in the same manner for so many years, something was different!

With the appointment by the Vatican of a special envoy (a retired Bishop), there are signs that an official acceptance and approval proclamation by Pope Francis will soon be forthcoming. There is reason for optimism! Grace will not be stopped. Historically, the official Vatican approval has not happened until the apparitions have ended. Otherwise, if a proclamation of approval is given and thereafter, a message is delivered by the visionaries that is contrary or questionable to Catholic belief, confusion results.

An official approval by Pope Francis will certainly be an affirmation for us, the Board of the Queen of Peace Apostolate, that our work of spreading the messages of prayer, fasting, repentance, Eucharist and Mass has been our calling from Mary. We are committed to this work that Our Lady has entrusted to us. We know in our hearts that the messages are solid, in conformity to the Gospel and to the

speaking, we wonder what could our Mother mean? Surely Our Lady has seen the latest newscast. She is aware of the discord in our world. She knows of the human suffering, the discouragement that the enemy of God is sowing in human lives. The enemy of God does not realize he has been defeated! The enemy continues to try to take us down. Yet, Our Lady tells us to rejoice in the midst of our present circumstances.

Indeed, we can rejoice, brothers and sisters! We rejoice because we know that there is no sin greater than God's mercy through the Holy Spirit working through the priest. The only unforgivable sin is the one we do not submit to His Mercy. We can rejoice because God's love is immeasurable. His love is one that our finite minds cannot comprehend. God's love is a love we will never find through anything worldly. It is an unfathomable love "that no eye has seen, nor ear heard, nor has it entered into the imagination" except through contemplation of the Passion of Jesus Christ. We can rejoice because God has sent Mary to guide us when we are lost, fearful or discouraged. We can rejoice because we know that when we are discouraged in the world, when the devil tells us "why bother" – your expectations will never be met, your prayers are too lofty and will never be answered. Mary reminds us that these thoughts are lies perpetrated through our enemy, the devil, the father of lies!

And so we rejoice! We hear our Mother instruct us: "Do whatever He tells you" along the way of conversion. And we know God has sent us Mary to light the path. We will be discouraged no longer! We will be people of faith, hope and trust! We will continue to respond to Our Lady's messages of prayer, fasting, repentance, Mass. We will become, with Mary by our side, the transformation that we so long to see in the world. AMEN.

Church. Our Lady is our sign post to her Son. Praise be to God! We will always rely on our Mother's guidance and support in the work of conversion. We need all the help we can get.

In her June 25th message, Our Lady has given us another cause for optimism. She told us that God gave her this time for thanksgiving – for us! Can you imagine Mary's thanksgiving to God for each one of us who have 'come home' - just like the thankfulness of the prodigal son's father when the wayward son finally came home after years of being lost in the mire of the world. Picture Mary standing before her Divine Son saying "thank you" for him or her....thank you for my daughter or son (insert your own name here). She is thankful for our presence with her and her Son through prayer. She is grateful for our fasting, for every time we avail ourselves to the Sacrament of Reconciliation. She is thankful for every time we attend Mass and receive Jesus. She is looking at us with love every time we kneel before her Son in the Blessed Sacrament. She is jubilant as each one of her children come to accept her messages. She is standing before the throne of God with her Immaculate Heart overflowing with gratitude and love....FOR US!

Mary has set us upon a way – which is our own personal journey to conversion. Our path is really a spiritual growth in holiness and grace so that we may become more like Jesus in our thoughts, words and actions.

In this message, Mary tells us to rejoice. Humanly

Our Lady's Message Given to Mirjana Dragicevic-Soldo

June 2, 2018

"Dear children, I am calling you to accept my words which I am speaking to you as a mother, with a simplicity of heart, so that you may set out on the way of complete light and purity, of the singular love of my Son, man and God. A joy - a light indescribable in human words - will penetrate your soul and the peace and love of my Son will take hold of you. I desire this for all of my children. Therefore, you, apostles of my love, you who know how to love and forgive, you who do not judge, you whom I encourage, you be an example to all those who are not going on the way of light and love or who have diverted from it. By your life show them the truth. Show them love because love overcomes all difficulties, and all of my children thirst for love. Your unity in love is a gift to my Son and me. But, my children, remember that to love also means to desire the good for your neighbor and to desire conversion of your neighbor's soul. As I am looking at you gathered around me, my heart is sad, because I see so little brotherly love, merciful love. My children, the Eucharist - my Son alive among you - His words will help you comprehend, because His word is life, His word makes the soul breathe, His word brings about cognition of love. Dear children, anew, I am imploring you as a mother who desires the good for her children: love your shepherds, pray for them. Thank you."

Our Lady of Medjugorje's Message Given to Ivanka Ivankovic-Elez during her Annual Apparition June 25, 2018

The visionary Ivanka Ivankovic-Elez had her regular annual apparition on June 25th 2018. At her last daily apparition on May 7, 1985, Our Lady confided to Ivanka the 10th secret and told her that she would have an apparition once a year on the anniversary of the apparitions. It was that way also this year.

The apparition, which lasted 3 minutes, took place at Ivanka's family home. Only Ivanka's family was present at the apparition. After the apparition, Ivanka said: Our Lady gave the following message: "Little children, pray, pray, pray."

Our Lady was joyful and blessed all of us with her motherly blessing.

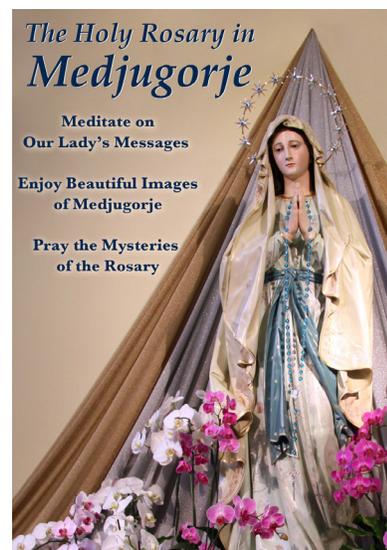

The Holy Rosary in Medjugorje Available on DVD or Digital Download

Do you like to pray the rosary while driving in your car? Purchase the audio files to download to your personal device from this link on Amazon:

[Click here to download the audio file](#)

If you prefer, watch the DVD, filled with beautiful images and high definition video of Medjugorje, and meditate on Our Blessed Mother's messages as you pray all four mysteries of the rosary. Available on DVD or Digital Download from this link on Amazon:
