## **Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett March 25, 2021**

*Dear Children,*

*Also, today I am with you to tell you: Little children, who prays does not fear the future and does not lose hope. You are chosen to carry joy and peace because you are mine. I have come here with the name "Queen of Peace" because the devil wants peacelessness and war, he wants to fill your heart with fear of the future – but the future is God's. That is why, be humble and pray, and surrender everything into the hands of the Most High who created you. Thank you for having responded to my call.*

## **Commentary on the March 25, 2021 Message**

*"There is no fear in love, but perfect love casts out fear, because fear involves punishment, and the one who fears is not perfected in love". 1 John 4:18*

Our Lady tells us that the devil "wants to fill your heart with fear of the future – but the future is God's". It is so easy to be overwhelmed by despair and fear in the world today. Sin, war, economic instability, disease, most especially Covid 19 – all find a way to steal our hope and cause us to doubt that there is a good future ahead! Yet, God promises us that He has plans for us that are of a good future with hope! Through the power of the Holy Spirit, we are able to look forward with joy to God's destiny for our lives. We are called by Our Lady to live each day with purpose in a spirit of joy and peace.

In prayer, we will experience our God of hope who will fill us with all joy and peace as we trust in Him. Through the power of the Holy Spirit,

our hearts will overflow with hope. The key is to BELIEVE! Our Lady reminds us that we are Her children. We belong to Her! If we truly believe that Jesus bequeathed His Mother to us at the Cross, then, as children of the Queen of Heaven, we have nothing to fear.

Because the devil is reigning in these times, he is stealing our peace and spreading fear like a plague. Satan wants war and hopelessness to overcome us. Our Lady reminds us that the future belongs to God. Our love must be made perfect through prayer, trust, and surrender. In these difficult times, we must become humble by remembering that we cannot control the situation in the world today. We can only control our response to the circumstances that confront us. As the shadow of evil descends upon us, we must rush to the love waiting for us in the refuge of the Immaculate Heart of Mary. As the weight of suffering and trials fall heavy upon us, we must rush to our holy refuge. As impatience, fear, and worry overcome us, again, we must rush to the refuge of our Mother who will comfort and guide us.

Our Lady tells us how to respond. We must learn to “surrender everything into the hands of the Most High who created us”. If we follow Her guidance and pray, we will not fear the future nor lose hope. She is our refuge, the source of our strength, and the way that will lead us to the Kingdom of God – a new and wonderful springtime for the Church.

“Be strong and courageous, and act: do not fear or be dismayed, for the Lord God, my God, is with you. He will not fail you nor forsake you until all the work for the service of the house of the Lord is finished”. 1 Chronicles 28:20

Let us conclude Lent 2021 with the humility to pray: Dear Lord, I am not in control of the signs of these times. I surrender all to you, my Lord. Take care of everything. Amen!

## **Our Lady of Medjugorje’s Message Given to Mirjana Dragicevic-Soldo March 18, 2021**

The visionary Mirjana Dragicevic-Soldo had daily apparitions from June 24th 1981 to December 25th 1982. During the last daily apparition, Our Lady gave her the 10th secret, and told her that she would appear to her once a year, on the 18th of March. It has been this way through the years.

*“Dear children*

*In a motherly way I am calling you to return to the joy and the truth of the Gospel, to return to the love of my Son – because He is waiting for you with open arms; that everything you do in life you do with my Son, with love; that it may be blessed for you; so that your spirituality may be internal, and not just external.*

*Only in that way will you be humble, generous, filled with love and joyful; and my motherly heart will rejoice with you. Thank you.”*
