## **Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett March 25, 2022**

*"Dear Children! I am listening to your cry and prayers for peace. For years, Satan has been fighting for war. That is why God sent me among you to guide you on the way of holiness because humanity is at a crossroad. I am calling you to return to God and to God's commandments that it may be good for you on earth, and that you may come out of this crisis into which you have entered because you are not listening to God who loves you and desires to save you and lead you to a new life. Thank you for having responded to my call."*

## **Commentary on the March 25, 2022 Message**

*"Whoever is not with me is against me and whoever does not gather with me scatters."*  
(Matthew 12:30)

Today, the Feast of the Annunciation, our Blessed Mother's message unites with the whole Church – Pope Francis, the Bishops of the world, clergy, and all the faithful – on this historic day as the Pope consecrates all of humanity, particularly Russia and Ukraine, in a heartfelt dialogue with our mother.

The visionary Maria said that Mary did not have a happy expression as she delivered this message. She was serious and determined as was Pope Francis as he prayed the Consecration Prayer! Maria said: "We are at a point of no return if we do not embrace prayer."

In these crucial times, we must be united with God and Our Lady and ask for this grace of union so that the power of Satan, of hate, death and fear will not prevail. Today we see how more and more people are turning away from God and His commandments. God gave us the way to a good

life in the commandments he declared to Moses. Living these commandments make life on earth full of light and hope. Our relationship with God is repaired and strengthened. Our relationship with all our brothers and sisters at least has a chance of being happy and fruitful. In the terrible mess we are in, the commandments are the way out.

The consecration to the Immaculate Heart will open a new channel of grace to hasten the coming Triumph and period of peace. In his prayer, the Pope implored the Blessed Mother to bring peace and said: "Now with shame we cry out: Forgive us Lord!" In her message Mary said, "I am listening to your cry and prayers for peace." Pope Francis mentioned "the mystery of iniquity that is evil and war." In her message at Medjugorje that same day Mary said, "For years Satan has been fighting for war."

The pope, in his prayer, said the consecration was coming "at this dark hour". At Medjugorje, Mary once said the world was covered with darkness and that the current moment was "the hour of the power of darkness". Just as the pope named the sinfulness of mankind as leading to the war, Mary said she was inviting humanity "to be good on earth and overcome the crisis you fell into because you did not listen to God."

Both the message and the Consecration prayer said that "humanity is at a crossroad". What does this mean? This is the question of the hour! We are at a point where a crucial decision must be made that will have far reaching consequences. We have one chance left to make a choice between light and darkness. A crossroad is an endpoint, a final decision, choosing one way or the other. In this case, the choice is between worldliness and the darkness of Satan or the Light of Jesus Christ.

We live amidst rebellious humanity who do not follow the commandments. For this reason, our mother is here, with her sweetness and constancy for 40 years among us, to tell us that God is with us, and we must not be afraid. We must be instruments of peace with prayer, with our actions, and with our lives. We must rely more and more upon the light of the Holy Spirit that is given to us.

"Through your intercession, may God's mercy be poured out on the earth and the gentle rhythm of peace return to mark our days. Our Lady of the "Fiat" on whom the Holy Spirit descended, restore among us the harmony that comes from God. May

you, our living fountain of hope, water the dryness of our hearts and lead us to a new life!" AMEN

## **Our Lady of Medjugorje's Message Given to Mirjana Dragicevic-Soldo March 18, 2022**

The visionary Mirjana Dragicevic-Soldo had daily apparitions from June 24th 1981 to December 25th 1982. During the last daily apparition, Our Lady gave her the 10th secret, and told her that she would appear to her once a year, on the 18th of March. It has been this way through the years.

*"Dear children,*

*With a motherly love I am calling you to—full of strength, faith and trust—look towards my Son. Keep opening your hearts to Him and do not be afraid, because my Son is the Light of the world and in Him is peace and hope.*

*That is why, anew, anew I am calling you to pray for those of my children who have not come to know the love of my Son. So that my Son, with His light of love and hope, may illuminate also their hearts; and you, my children, that He may strengthen and give you peace and hope.*

*I am with you. Thank you."*
