**Our Lady of Medjugorje's Message
Given to Marija Pavlovic-Lunett
March 25, 2023**

*"Dear Children,
may this time be a
time of prayer for you."*

**Commentary on the
March 25, 2023**

Forty two years ago the Blessed Virgin Mary was given a mission by God to guide His beloved children along the narrow path of conversion through prayer. She began her apparitions in Medjugorje by giving us five stones or themes: prayer, fasting, read Sacred Scripture, confession, and Holy Mass. These five stones were the foundation upon which our mother would build a world of faith in God. She came to tell us that God exists.

Throughout these forty-two years, her five themes were the basis of her messages to the world through the visionaries. In one of her early messages (June 12, 1986) Mary called us to pray the rosary. She wanted our daily rosary to be an obligation which we would fulfill with joy. She wanted us to understand the reason why she

would be with us for so long. Her reason was to teach us to pray. Prayer is the certain way to relationship with God.

Throughout the years, our Blessed Mother taught us about prayer. She was our guide through our conversion. She was our hope for a brighter future. She warned us of the many pitfalls Satan would set on our path. Most of all, her many messages delivered the love of God, the price of our salvation, and she assured us that she would never leave us to face the challenges of life alone.

Now we find ourselves surrounded in evil! We can't escape it. This month's message was twelve words telling us to use this time to pray! Our Mother knows the only way for us to endure it all is to pray.

Our Mother has led us to this time of unspeakable devastation through climate, tornados, fires. The daily news shows us deadly trails of destruction almost daily, tens of thousands of mass protests around the world, most recently Israel. Hatred and shootings occur almost daily in schools and public places. Crisis is escalating at the border. Satan is having his hour upon the earth!

Many were surprised that this month's message was so short. But it is all that is left now! Our Lady gave us her most striking message. When everything fails around us and the daily news fills us with fear we must turn to prayer.

All has been said, Mary's little children. Keep the faith. Trust in God and PRAY!!

Thank you for having responded to our mother's call.

The Annual Apparition of Our Lady to Mirjana Dragicevic-Soldo March 18, 2023

The visionary Mirjana Dragicevic-Soldo had daily apparitions from June 24th 1981 to December 25th 1982. During the last daily apparition, Our Lady gave her the 10th secret, and told her that she would appear to her once a year, on the 18th of March. It has been this way through the years.

*"Dear children,
I am calling you, through prayer and mercy, to come to know my Son all the better; to learn to listen with a pure and open heart; to listen to what my Son is saying to you in order to come to see spiritually. That, as one people of God in communion with my Son, you may bear witness to the truth with your life. Pray, my children, that, together with my Son, you can bring only peace, joy and love to all your brothers and sisters. I am with you and am blessing you with a motherly blessing."*
