## **Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett March 25, 2019**

*"Dear children! This is a time of grace. As nature renews itself for a new life, you also are called to conversion. Decide for God. Little children, you are empty and do not have joy, because you do not have God. Therefore pray until prayer becomes your life. In nature seek God who created you, because nature speaks and fights for life and not for death. Wars are reigning in hearts and nations, because you do not have peace and you do not see, little children, a brother in your neighbor. Therefore return to God and to prayer. Thank you for having responded to my call."*

### **Commentary on the March 25, 2019 Message**

As the crocuses and daffodils break forth from the partially frozen earth, we are reminded that each spring – the Season of Grace – nature renews itself with new life. Nature responds to grace – to God's call to come forth from the tomb of the earth to re-create and give glory to its Creator. Each Lent

we, too, are given the opportunity to break forth from the tombs of our weaknesses and sinfulness to re-commit to God and to our personal path of conversion. We are called to respond to the graces offered to us every day.

Each day, several choices loom before us. With every step we take, we must, consciously or unconsciously, decide between good or bad, better or best, God or the world. We often choose the things of the world rather than the things of God – complication rather than simplicity, excess rather than temperate, the noises of the world rather than the silence of prayer.

Our Lady reminds us of the consequences of our choices. We find ourselves empty and without joy! Our God is a jealous God. He will not compete with the world. God will not interfere with free will. Somehow in the hectic pace of our lives, we lose sight of God. We often compromise the only relationship that will bring us abundant life, freedom and true and lasting peace. Our Lady gives us the remedy for this lapse in judgement – "pray until prayer becomes your life". We must decide to put God first in life, to seek God in every moment. We must discover the grace each day that will serve

to transform our hearts.

We are being led by our Mother to learn from the constancy of nature – “nature speaks and fights for life and not for death”. We must choose life – Divine Life! We must be willing to fight for God’s life. We are the Church militant on Earth, the church suffering in Purgatory, and the Church triumphant in Heaven. We are in a spiritual warfare. Satan is fighting against us to take us away from Life. Satan wants us to lose this war. Mary wants us to win! She is helping us. She is guiding us. She is protecting us from hatred, from apathy and spiritual laziness. She is leading us toward love – love of neighbor – love of God. Prayer is the path that will lead us to peace, joy and God who is always waiting for us with open arms.

Our Mother wants us to know “perfect love and not to forget the things which our own eyes have seen”. (Deuteronomy 4:9) God is close to us.

### **Our Lady of Medjugorje’s Message Given to Mirjana Dragicevic-Soldo March 2, 2019**

*“Dear children, I call you ‘apostles of my love’. I am showing you my Son who is the true peace and the true love. As a mother, through the mercy of God, I desire to lead you to Him. My children, this is why I am calling you to reflect on yourselves, starting out from my Son, that you look to Him with the heart and that you may see with the heart where you are and where your life is going. My children, I am calling you to comprehend that it is, thanks to my Son, that you live - through His love and sacrifice. You are asking of my Son to be merciful to you and I am calling you to mercy. You are asking of Him to be good to you and to forgive you, and for how long am I imploring you, my children, to forgive and to love all the people whom you meet? When you comprehend my words with the heart, you will comprehend and come to know the true love and you will be able to be apostles of that love, my apostles, my dear children. Thank you.”*

### **Our Lady’s Annual Message to Mirjana Dragicevic-Soldo March 18, 2018**

The visionary Mirjana Dragicevic-Soldo had daily apparitions from June 24th 1981 to December 25th 1982. During the last daily apparition, Our Lady gave her the 10th secret, and told her that

she would appear to her once a year, on the 18th of March. It has been this way through the years. Several thousand pilgrims gathered in prayer of the Rosary. The apparition lasted from 13:41 to 13:46.

*“My children, as a mother, as the Queen of Peace, I am calling you to accept my Son so that He can grant you peace of soul - that He can grant you that which is just, which is good for you. My children, my Son knows you. He lived the life of man, and at the same time of God: a wondrous life-human flesh, divine Spirit. Therefore, my children, while my Son is looking at you with His eyes of God, He penetrates into your hearts. His tender, warm eyes are looking for Himself in your heart. My children, can He find Himself [there]? Accept Him, and then the moments of pain and suffering will become moments of tenderness. Accept Him, and you will have peace in [your] soul - you will spread it to all those around you - and this is what you now need the most. Heed me, my children. Pray for the shepherds, for those whose hands my Son has blessed. Thank you.”*
