Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett

May 25, 2021

"Dear Children,

Today I am looking at you and I call you: return to God because He is love and out of love has sent me to you to lead you on the way of conversion. Leave sin and evil, decide for holiness and joy will begin to reign; and you will be my extended hands in this lost world. I desire that you be prayer and hope to those who have not come to know the God of love. Thank you for having responded to my call".

Commentary on the May 25, 2021 Message

"Anyone who does not love does not know God because God is love. In this the love of God was made manifest among us, that God sent His only Son into the world, so that we might live through Him". 1 John 4:8-9

Mary says: "Today I am looking at you....". What does our mother see as She gazes at us? Her gaze reaches far beyond our outer appearance. She looks into our heart. She looks for love and faith. She looks for conversion and commitment. She hopes to see holiness within us.

Our Lady reminds us again and again that she is calling her children to return to God because the world is in need of love and God is love. She calls us to bear witness to those who have not known Him. For this the Virgin Mary invites everyone to leave sin and evil as soon as possible. Only in this way will joy reign in hearts. Joy is impossible where sin prevails.

Mother Mary knows that the world is lost. She knows upcoming events my soon prove to be a challenge for humanity. The Blessed Mother says: "Your battle is difficult. It will be even more difficult". Mary knows that our battle is with powers and principalities unseen.

Our Lady did not come to announce our

destruction. Rather, she is planning on changing the world. She came to lead us and guide us and save us from the hand of Satan. With her Son, she will triumph over this current stronghold of sin and evil.

We must continue to pray for the strength of faith, trusting in the love of our Heavenly Father. Our Mother is with us. She is manifesting herself to us. She is encouraging us with immeasurable motherly love. She is looking into our hearts and caressing our soul! Our Mother knows when we most need her. We need her now in this dark hour of human history. She once said: "There is no future for the world without love and holiness. Because in holiness and joy you give yourselves to God the Creator who loves you with immense love. For this He sends me to you".

Brothers and sisters, let us soften our hearts of stone. Purification and salvation stand before us and are taking definitive shape in front of this generation. Let us not be foolish: conversion is necessary. We are already living in the time foretold. Let us choose salvation. We are the faithful children of Mary; therefore, let us persevere in faith, hope, and love. Let us prepare for the Holy Spirit to revive His gifts in each of us so that we might serve Our Lord through the guidance of our mother as His true children. Let us be the extended hands of Jesus and Mary in this fallen world for the good of souls. Let us be prayer and hope for those who have not come to know the God of love!

Mary is looking at us, her children. She is searching for the treasures in our hearts. Let us hope that she finds pure love! Amen
