## Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett

**May 25, 2015**

*Dear Children! Also today I am with you and with joy I call all of you: pray and believe in the power of prayer. Open your hearts, little children, so that God may fill you with His love and you will be a joy to others. Your witness will be powerful and everything you do will be interwoven with God's tenderness. I am with you and I pray for you and your conversion until you put God in the first place. Thank you for having responded to my call."*

## Commentary on the May 25, 2015 Message

Our Lady's words to the world month after month are treasures to those of us, Her children, who have followed Her since the beginning of the apparitions in Medjugorje. We cherish her messages and Her presence with us through Her extraordinary apparitions ever since 1981. Each month she repeats her mission among us in this time of Grace. She has come to the earth to reeducate us and to help us convert and recenter our lives back to God. Our Lady's role has always been one of guiding people to Her Son, Jesus. What an amazing opportunity we have in this time of Grace. Our Lady's

call to conversion is urgent, and we should respond with all our hearts.

Again this month, Mary reminds us that she is with us. There is a danger in becoming complacent about Her presence; especially when things are going pretty well in our lives. In my own experience, I always believed that She is present. But for the last few months, as I struggled with debilitating pain and loss of mobility, I turned to my Mother on a deeper level, often and pleading with Her to be with me, hold my hand and give me the grace of greater trust. My prayer was different as well. I thought I knew what Mary meant when she called us to open our heart. But that took on new meaning for me when I realized that I was totally reliant on God. My life, my body, mind and spirit were in His Hands. I became totally aware that I was not in control and dependent on God alone.

Our Lady speaks of God's love this month. God is love and wishes to share His life with us. Love is not something we can conjure up ourselves. We are victims of a fallen human nature, so love must be given to us by God. Love is the greatest gift and Our Lady wants to mediate for us so that we may be filled. Through this gift of love, we will light up our world. We will bring this light into the darkness of sin and despair. Our Lady tells us what the fruit of living in Divine Life. We

will bring joy to those around us who have no hope. Our witness will be powerful not because of anything we will do; but what God will accomplish through us.

I have come to believe that we must all enter at one time or another the crucible of pain, suffering, detachment and loss to really be able to enter fully into the mystery that is God's love and the life God wants for each of us. Conversion is a life-long process that must include some suffering.

In joy, Our Lady calls us anew to pray and to believe in the power of prayer. Prayer is the key. Prayer is the weapon against our enemies. It is the current whereby we tap into the very power of the Almighty. Jesus has told us, "Truly I say to you, ask and you will receive, seek and you will find, knock and the door will be opened to you"....."Truly I say to you, if you ask anything of the Father in my name, he will give it to you".

Let us ask and seek and knock on the door of the Sacred Heart of Jesus that we may be given love – a share in the God-life so that our witness will bear much fruit and may we be a joy to those who live in despair.

### Message Given to Mirjana Dragicevic-Soldo May 2, 2015

*"Dear children, open your hearts and try to feel how much I love you and how much I desire for you to love my Son. I desire for you to come to know Him all the better, because it is impossible to know Him and not to love Him - because He is love. I, my children, know you. I know your pain and suffering because I lived through them. I laugh with you in your joy and I cry with you in your pain. I will never leave you. I will always speak to you with motherly tenderness. And I, as a mother, need your open hearts to spread the love of my Son with wisdom and simplicity. I need you to be open and sensitive to the good and mercy. I need you to be united with my Son, because I desire for you to be happy and to help me to bring happiness to all of my children. My apostles, I need you to show everyone the truth of God, so that my heart, which suffered and today suffers so much pain, can win in love. Pray for the holiness of your shepherds, so that in the name of my Son they can work miracles, because holiness works miracles. Thank you."*
