Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett November 25, 2019

"Dear Children!

May this time be a time of prayer for you. Without God you do not have peace. Therefore, little children, pray for peace in your hearts and families; so that Jesus can be born in you and give you His love and blessing. The world is at war because hearts are full of hatred and jealousy. In the eyes, little children, peacelessness is seen because you have not permitted Jesus to be born in your lives. Seek Him, pray and He will give Himself to you in the Child who is joy and peace. I am with you and I pray for you.

Thank you for having responded to my call."

Commentary on the November 25, 2019 Message

Once again, we enter into the season of Advent; the time of holy waiting, of expectation. Our Lady's Advent message points us toward the way of peace.

First, she emphatically states that "without God you do NOT have peace"! Then Our Lady reminds us why there is no peace to be found in our world: "the world is at war because hearts are full of hatred and jealousy". We do not need words from Heaven to awaken us to the fact that our world is deeply troubled: wars, terrorism, political and social unrest, family breakdown, mass migrations, moral confusion, chaos in the Church: faith has diminished, doctrines are denied, moral teachings ignored and scandals in the clergy.

Where is peace? We need a revival in our Church, renewal in families, communities and in the world. We need a renewal in our ability to surrender and trust in Our Lord, Jesus Christ!

Advent takes us back to the Incarnation. The Holy Spirit came upon the Blessed Virgin and the Word became flesh. In this message, Our Lady reminds

us that “you have not permitted Jesus to be born in your lives”! Have we forgotten that the marvel of the Incarnation continues within each of the baptized through the Sacraments and the Liturgy of the Church? Do we see the Incarnation and the Holy Birth of Jesus as simply an historical event long past?

Our Lady clearly tells us “that Jesus can be born in you and give you His love and blessing”. Our personal transformation into Christ is a reality! Our spiritual journey to this conversion follows the liturgical year of our Church. Jesus became flesh through Mary so that He also may be incarnate in us to give His love to the world through us. The reason why we are here in this time and place is that Christ wants to be born through us. He wants His life to begin again in the world as we leave Holy Mass having received Him – Body, Blood, Soul and Divinity. This makes the Incarnation real as the miracle continues to unfold throughout history. It is not only an event of long ago but a tremendously important part of our lives. We are present when He is born again each day in the Mass. He comes to us in Holy Communion to bring us joy, holiness and peace.

Let us not allow the busyness of the season drown out Mary’s message this month. She is knocking on the door of our hearts. She is always with us, helping us, guiding us to her Son and to the peace that only He can bring. Let this season of Advent be a “time of prayer for you”. Pray for peace in all hearts and in families. Let Jesus be born in us. Seek Him in faith, hope and love. Only then will peace truly reign – only in and through the Prince of Peace, our Lord, Jesus Christ.

May this prayer of St. Elizabeth of the Trinity be our own:

“O Consuming Fire, Spirit of Love, come upon me and create in my soul a kind of incarnation of the Word, that I may be another humanity for him in which he can renew his whole mystery”.

Our Lady of Medjugorje’s Message Given to Mirjana Dragicevic-Soldo November 2, 2019

“Dear children, my beloved Son always prayed and glorified the Heavenly Father. He always said everything to Him and trusted in His will.

This is what you, my children, should also do, because the Heavenly Father always listens to His children. One heart in one heart - love, light and life. The Heavenly Father gave Himself through a human face, and this face is the face of my Son. You, apostles of my love, you should always carry the face of my Son in your hearts and your thoughts. You should always think of His love and His sacrifice. You should pray to always feel His presence, because, apostles of my love, that is the way for you to help all those who do not know my Son, who have not come to know His love. My children, read the book of the Gospel. It is always something new, it is what binds you to my Son who was born to bring the words of life to all of my children and to sacrifice Himself for all. Apostles of my love, carried by the love for my Son, bring love and peace to all of your brothers. Judge no one. Love everyone according to the love for my Son. In this way, you will also be caring for your soul, and it [your soul] is that what is most precious, which truly belongs to you. Thank you.”
