Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett October 25, 2021

"Dear Children!

Return to prayer because who prays is not afraid of the future; who prays is open to life and respects the lives of others; who prays, little children, feels the freedom of the children of God and in joy of heart serves for the good of his brother-man. Because God is love and freedom; therefore, little children, when they want to put you in bonds to use you, it is not from God. Because God loves and gives His peace to every creature; and that is why He sent me to you to help you to grow in holiness.

Thank you for having responded to my call".

Commentary on the October 25, 2021 Message

"Do not fear for I am with you; do not be dismayed for I am your God. I will strengthen you and help you; I will uphold you with my righteous hand". (Isaiah 41:10)

Our Lady's October message to the world has three major points. First, we must see the need for commitment to prayer and experience the fruits of our prayer and the strength of faith, hope and love that we experience through prayer.

She tells us that those who pray are not afraid of the future. Those who pray respect the gift of life both our life and the lives of others, including the lives of the unborn. Those who pray experience the freedom that is our inheritance as children of God. Finally, those who pray spread the peace and joy that come from a relationship with God to those around them. These are the rich fruits that lead us on the path to holiness.

The second point in Our Lady's message this month is a warning. Stay alert! The enemy seeks to shackle us and hold us in bondage! Many of God's children have lived in fear, isolation, and depression throughout the long months of the pandemic that has ravaged our world.

Finally, Mary reminds us that all is not lost! God has sent her to us for such a time as this! God loves us and offers to all of us His peace. Mary is our mother. We must become as little children during this treacherous time and trust. If we remain committed to prayer, if we remain alert so as not to be fooled by the enemy and used in ways that are not of God, our mother will protect us.

The world in which we live is in great need of healing. First, we need to reject the spirit of relativism and return to absolute truth. We need to return to Jesus who is the Way, the Truth, and the Life. Knowing the truth, then, is knowing God in some degree. Prayer is the best means to this end. Through prayer we can know the Truth and the truth will set us free.

"You shall know the truth, and the truth shall make you free. Therefore, if the Son makes you free, you shall be free indeed". (John 8: 32, 36)
