## **Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett October 25, 2022**

*"Dear children!*

*The Most High permits me to be with you, and to be joy for you and the way in hope, because mankind has decided for death. That is why He sent me to keep instructing you that without God you do not have a future. Little children, be instruments of love for all those who have not come to know the God of love. Witness joyfully your faith and do not lose hope in a change of the human heart. I am with you and I am blessing you with my motherly blessing.*

*Thank you for having responded to my call."*

## **Commentary on the October 25, 2022 Message**

"This day I call the heavens and the earth as witnesses that I have set before you life and death, blessings and curses. Now choose life so that you and your children may live and that you may love the Lord your God, listen to His voice and hold fast to Him. For the Lord is your life." (Deuteronomy 30:19)

We are all on a journey to our eternal destiny. The path that we have chosen either leads to life - a lighted path - or the path of darkness and death! The path of life is illuminated with the presence of our Mother Mary. She is instructing and leading us to our eternal goal. This path is "the way of hope" and brings us joy in knowing that our loving Mother is with us.

The path of the worldly is darkening and will continue until the lost souls who do not know of God's love open their hearts to Truth and salvation. Unless the lost people hear and accept the truth of God's infinite love and mercy for them, they will die a spiritual death. Our Lady sees that many have decided for death. So, in this October message, our Mother turns to us. She asks us to be "instruments of love" for those lost souls who have not yet come to know the God of love. What does she ask us to do?

- Witness joyfully our faith with great hope and love because we have found the path of light through the love and grace that we have accepted and received.
- She asks us to witness joyfully because the human heart can change paths in an instant through the grace of conversion.
- We, Mary's little children, can be carriers of this grace of conversion to those who are on the darkened path of life and are searching for love, truth, and meaning in their lives. We can help them by illuminating for them the love of God!

What is the truth of love incarnate? God is love. God is truth. God is the true love. There is no truth outside God's love. Mankind is not fulfilled except through love. Love is our only weapon in this world filled with error and hatred. We must love as we are loved, expecting nothing in return. Our love must be unconditional. That is how God loves us; so, we must love the same. We cannot give this love from ourselves. Only through prayer will we receive this saving love, through Jesus Christ, to be filled with it in spirit. This love is the spirit of God within us. We must pray to obtain this love in order to love all human beings without boundaries, without conditions, as God loves. This is Love Incarnate! Only through incarnate love will the hearts of souls on the darkened path change and receive

the grace offered to them. Many can become renewed children of God through our witness. Mankind came from the heart of God; and will return to God's heart. Every person is a touch of light. We were created to illumine the world because now the world is drowning in darkness.

Will we accept Our Lady's invitation in this message? Will we help her free souls from the bondages perpetrated by Satan through the power of life flowing through us from the Holy Spirit? Will we accept our mission in life – to be a light of God's love that will shine in all directions? Only love will go with us to the next world. Let us heed Mary's plea to follow her instructions through prayer. There is a choice for every human being: life or death. May we always help our brothers and sisters as we travel together in this vale of tears to choose life!
