## **Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett**

**October 25, 2012**

*"Dear children! Today I call you to pray for my intentions. Renew fasting and prayer because Satan is cunning and attracts many hearts to sin and perdition. I call you, little children, to holiness and to live in grace. Adore my Son so that He may fill you with His peace and love for which you yearn. Thank you for having responded to my call."*

### **Commentary on the October 25, 2012 Message**

*".....Satan is cunning and attracts many hearts to sin and perdition....."*

The American Heritage College Dictionary defines cunning as: 1) skill in deception, guile 2) marked by or given to artful subtlety and deceptiveness; executed with or exhibiting ingenuity.

Satan is skilled in deception. Satan uses artful subtlety to lead us into error and lies. Satan executes his plan of destruction with ingenuity. So, in this message, so close to a decisive election, Our Lady pulls out the big guns with which to arm us and defeat the evil plans

so craftily laid out by Satan – FASTING ALONG WITH PRAYER!

Satan is cunning....

This month I learned that the school from which I graduated has incorporated the International Baccalaureate Program as their new curriculum. This organization, based in Switzerland, has as its' goal the building of a privileged and elite society of global, one world view thinkers. The four programs used as curriculum is crafted to the corruption of young minds aged 3 -19, through manipulation and psychological brainwashing. Teachers are referred to as facilitators. They do not impart knowledge. Their only task is to contribute to indoctrination! The program is the antithesis of the values defined in the American Constitution, Judaism and Christianity. Values taught at home will be "re-learned" through critical thinking. Parents are left in the dark....trusting that they have chosen an elite school for their children. The goal of the 5 essential elements:

\* Gain knowledge that is of global significance. There is no provision for knowledge of the self which is a universe unto itself where one discovers the living God!

\* Understanding concepts – an immersion into the world of matter and form. There is no provision for

imparting insights into the immortal soul or conscience formation.

\* Acquiring disciplinary skills with no emphasis on the discipline of the heart.

\* International mindedness which is atheism at it's boldest.

\* Take action conducive to producing militant warriors of the world – the farthest point away from spiritual warriors required to win the real war!

There are currently 3,482 IB schools in 144 countries and 1,056,000 students in the four programs are being exposed to this destructive lie. As if this information alone is not sufficient to expose the craftiness of Satan – the IB emblem is the six-sided pentagram – the most powerful of symbols of the devil!!

Satan is cunning:

A chapel in a presumably Catholic School was decorated for 'The Day of the Dead'. The well-intentioned Spanish teacher in charge of this abomination wanted to give the décor a flare of the Spanish / Mexican culture. The entire chapel – including the Tabernacle housing the living Lord – was transformed into a bright and deplorable extravaganza of paper flowers, skulls, skeletons, witches and goblins. A rather large skull was placed directly on top of the Tabernacle! The only place where true Life resides was desecrated to epitomize the culture of death in which we currently find ourselves. As if Satan's cunning was not evident already.....his signature basket of apples was placed at the foot of the Tabernacle...

"Satan is cunning and is attracting many hearts to sin and perdition" .....

I write this reflection on Election Day. There are still several hours before we will get an indication as to who will lead our Blessed Land for the next four years. Today is not the day to ask the question, 'Is God still on our side'? Today is the day to ask, "Are we still on God's side? Time will tell, won't it?"

I don't like to get into political conversations. However, I have heard so many good people....intelligent people....well informed people.....Catholics....Christian people share their political thoughts lately. "I need affordable health care.....I will vote for entitlements.....I will vote for women's rights.....I personally believe abortion is wrong; but I will not impose my belief's on others.....I will vote to protect my retirement.....today, the American family looks different.....it is okay to have loving families with two dads or two moms.....HHS Mandate...what's that?....well, it doesn't affect me!

"Dear Mother Mary, I began my day on my knees

in prayer for your intentions, because I know that your intentions include our deepest needs which are peace and love. I know that your intention is that we gain back our sight. I know that your intention is for our holiness—a share in God's life. I know that your intention is for this land that we love so much to return to God in whom we trust. Dear Mary, evil has swept over this land and left in its' wake a destruction far worse than Hurricane Sandy. But, Mother, because you are with us so long and will remain for as long as it takes...I no longer live within the circumstances in which I find myself; but I live in the Vision of Hope that you bring. Please ask your Son to deliver us from evil and let God's grace shine upon America once again. Amen

### Message Given to Mirjana Dragicevic-Soldo October 2, 2012

*"Dear children; I am calling you and am coming among you because I need you. I need apostles with a pure heart. I am praying, and you should also pray, that the Holy Spirit may enable and lead you, that He may illuminate you and fill you with love and humility. Pray that He may fill you with grace and mercy. Only then will you understand me, my children. Only then will you understand my pain because of those who have not come to know the love of God. Then you will be able to help me. You will be my light-bearers of God's love. You will illuminate the way for those who have been given eyes but do not want to see. I desire for all of my children to see my Son. I desire for all of my children to experience His Kingdom. Again I call you and implore you to pray for those whom my Son has called. Thank you."*

### Marija: Stop Satan's plans by fasting

By Jakob Marschner  
[www.medjugorjetoday.tv](http://www.medjugorjetoday.tv)

**The Virgin Mary knows that Satan is studying the situation and is working on something – this is why she repeats her call to fasting in her recent message, visionary Marija Pavlovic-Lunetti said upon receiving it. Marija laments lack of fasting discipline throughout the Medjugorje movement.**

Fasting on bread and water is paramount in offsetting plans that Satan is having at this time, Medjugorje visionary Marija Pavlovic-Lunetti told Radio Maria when sharing the message the Virgin Mary had given her earlier in the evening of October 25:

*"Dear children! Today I call you to pray for my intentions. Renew fasting and prayer because Satan is cunning and attracts many hearts to sin and perdition. I call you, little children, to holiness and to live in grace. Adore my Son so that He may fill you with His peace and love for which you*

*yearn. Thank you for having responded to my call."*

"Our Lady knows that Satan is studying the situation and is working on something, and Our Lord reminds us that certain devils can be forced away with prayer and fasting. During all these years Our Lady has called to fasting: after this message, and starting with me, I have to get better about it" Marija commented.

#### **Fasting watered down**

Sparing neither locals nor pilgrims, the seer went on to lament what she sees as a laxity in fasting throughout the Medjugorje movement:

"From the first days Our Lady began asking us to fast, and I would say it is what we do the least of nowadays, starting with us and going on to all the pilgrims" Marija said.

"[Late Medjugorje priest] Father Slavko began seminaries in his early years, and unfortunately fasting was not practiced as much as other aspects. We manage somehow, but I think this message was given at the proper time, and winter is coming where we find all sorts of excuses."

"I remember that from the beginning until a few years ago "bread and water" meant bread and water. Sometimes [visionary] Vicka's sister and I used to argue with Vicka: we might make some tea, and Vicka would say "no, just bread and water" Marija continued.

"We have become a bit wishy-washy without the biblical "yes yes, no no", and some serious fasting would make us more decided and more saintly, too."

#### **Fast twice a week**

"What is fasting exactly? More like turning down things than a fast?" Radio Maria director Fr. Livio Fanzaga next asked the visionary.

"She said bread and water."- Bread and water from midnight to midnight?"Exactly."- Wednesday and Friday? "Yes. At first, it was Friday and then Wednesday was added. Then for us a novena was asked for, so we would fast for nine days. We were good, at the risk of "blowing your own horn." When you have the Spirit, your willpower comes through.""I think I will get better at it as Our Lady said pray and fast for my intentions. I ask from my heart, and I hope all you listeners will too because if she asks, it is for our own good" Marija replied.

- In a message that she gave you in 2010, she said that Satan destroys you with what he offers, that is why it is important to know how to renounce?

"Yes, and going back to the example about tea: you start with tea, then it becomes a bit of fruit juice, then a little fruit, a few vegetables. A little at a time our "fasting menu" becomes large. If she says bread and water, it has a reason."

- Yes, she said just a small crack is necessary.

"Through it Satan knows how to get through.

Instead Our Lady says "be with me". We want to be saintly with God."

#### **Feast of All Saints**

With the Feast of All Saints coming up on November 1, Fr. Livio Fanzaga next mentioned a pattern he thinks to have discovered in the Virgin Mary's messages.

- I have noticed that almost every year when we get close to the Feast of All Saints, the invitation is repeated to be saintly, as it is this year. Our Lady wants us to be in the grace of God because this is the road to holiness.

"Yes, and she also just said "Adore my Son so that He may fill you with His peace and love". We might be looking for it, but our road to holiness is to say "yes" to God daily, even in the little things. Put God in the first place, and the rest will be given to you. If you have God, you have everything" Marija replied.

- Then you can walk the path towards holiness even in your family life or work environment?

"Yes, that is exactly the way it is. Our Lady calls us to go forward decidedly towards God, towards fasting, towards grace and not sin, or things not of God."
