Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett September 25, 2018

Dear Children!

Also nature extends signs of its love to you through the fruits which it gives you. Also, you, by my coming, have received an abundance of gifts and fruits. Little children, how much you have answered to my call, God knows! I am calling you – it is not too late – decide for holiness and a life with God, in grace and in peace. God will bless you and give to you a hundred-fold if you trust in Him. Thank you for having responded to my call.

Commentary on the September 25, 2018 Message

In this season of Fall, nature demonstrates God's abundance. The fruits of the harvest nurture God's people. Our Lady reminds us this month that God's love is made manifest all

around us through the fruits of nature.

The spiritual fruits and gifts from our loving God come to us through Mary's presence in the world. Her messages to the world every 25th of the month nurture, guide, and instruct her "little children". Over the last 37 years, we have accumulated an abundance of fruits and gifts from the treasury of God's immense love sent forth through His Mother and ours!

Millions of people from around the world have been called to Medjugorje – a symbol of the Heart of God! Curiosity draws many to the hills of Medjugorje. Many sense a "call" to make the pilgrimage. Some come to seek physical healing. Many come from near and far seeking truth, love and desire to grow in faith. Only God knows how many actually answer the call to conversion through: prayer, fasting, participation in the Sacraments of the Church, and acts of charity.

Holiness requires making a choice. Each and every one of us must decide for holiness. This tremendous grace is never imposed upon us. Our Lady reminds us that the fruit of this choice for holiness and life with God is peace. Mary also reminds us that it is not too late. She, as our mother, will not rest until each of her little children makes the decision to embark on a path of conversion – a path that She, Herself, has forged for us. Mary, our Mother, will not give up until we all hear her call from the mountain top....and respond!

She knows that conversion will cost us plenty. Conversion is self-renunciation, sacrifice, detachment from everything in this passing world. She knows conversion will mean going against the grain. Living a life for God in the present age is counter-cultural. But She wants us to know that God can never be outdone in generosity. He will give back a hundred-fold. We must trust Him in every situation. Blessing upon blessing will be the fruits given.

The time is now to decide for holiness. It is time to commit or re-commit to our consecration to the Hearts of Jesus and Mary – who will always lead us to glory – an eternity of intimacy with God. Mary is calling and calling....and calling. We must now respond with our whole heart!

Have you responded? “By their fruits you will know them....Just so, every good tree bears good fruit”.

**Our Lady’s Message Given to
Mirjana Dragicevic-Soldo
September 2, 2018**

“Dear children, my words are simple but are filled with motherly love and care. My children, all the more the shadows of darkness and deception are being cast over you, and I am calling you to the light and truth - I am calling you to my Son. Only He can transform despair and suffering into peace and clarity; only He can give hope in the deepest

pain. My Son is the life of the world. The more that you come to know Him - the more that you come close to Him - all the more you will love Him, because my Son is love. Love changes everything; it makes most beautiful also that which, without love, seems insignificant to you. That is why, anew, I am saying to you that you must love a lot if you desire to grow spiritually. I know, apostles of my love, that it is not always easy, but, my children, also the painful paths are paths which lead to spiritual growth, to faith, and to my Son. My children, pray - think of my Son. In all the moments of the day, raise your soul to Him, and I will gather your prayers as flowers from the most beautiful garden and give them as a gift to my Son. Be true apostles of my love; spread the love of my Son to everyone. Be gardens of the most beautiful flowers. With your prayers help your shepherds that they may be spiritual fathers filled with love for all people. Thank you.”
