Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett September 25, 2022

"Dear Children,

Pray that the Holy Spirit may enlighten you, that you may be joyful seekers of God and witnesses of love without bounds. I am with you, little children, and, anew, I am calling all of you: take courage and bear witness to the good works which God is doing in and through you. Be joyful in God. Do good to your neighbor so that it will be good for you on earth, and pray for peace, which is threatened because Satan wants war and peacelessness.

Thank you for having responded to my call."

Commentary on the September 25, 2022 Message

Jesus told His disciples, *"The Holy Spirit, whom the Father will send in my name, he will teach you all things and bring to your remembrance all that I have said to you."* (John 14:26)

Our Blessed Mother leads us to the power of the Holy Spirit to "enlighten" us! The Holy Spirit provides wise counsel to Christ's followers. Jesus knew he would be going away and that we would need the Holy Spirit as a helper and advocate to remind us of his teaching. The Holy Spirit opens our eyes and hearts to the hope of our inheritance. The Holy Spirit will sanctify us and enable us to bear good fruit in our lives. Only through the power of the Holy Spirit and Mary's guidance will we be equipped to do what our Mother has asked of us in this message – *"be joyful seekers of God" and be witnesses of love!*" In

In the power of the Holy Spirit operating in our lives, we will have the desire and the courage to be bearers of truth to defend life in all its stages, to rebuke hatred and errors that are spreading like wildfire. We will know and so will others, that the good works we accomplish will not be to our credit. But in all humility, the good fruit coming through us will indeed be God working through us. The power of the Holy Spirit who enlightens us will fulfill what Mary asks this month: to be witnesses of God's boundless love, to be joyful seekers of God's love, to be witnesses to the love and good works that God is pouring forth upon our mother's little children.

Our Lady calls us to joy. Joy is rooted in who God is. It is not fleeting or based on circumstances. The source of all joy is Jesus! We are called to witness joy. Our witness will show itself in deeds. We need to consider some people have different levels of faith. God's plan from the beginning: the Word made flesh to dwell among us is rock solid, allowing us to navigate difficult situations in the absence of happiness while sustaining our joy. Scripture encourages us to rejoice in the blessings of our life and give glory to God in all things. True joy can be obtained in the heartfelt gratitude of God's boundless love, mercy and grace.

The last call of Mary in this message is a call to prayer. She reminds us that Satan is strong. He wants war and peacelessness. But we know that the Immaculate Heart of Mary will triumph. We know that the weapon with which we are armed will endure. We know that our weapon of the holy rosary can even prevent wars!

"May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit". (Romans 15:13)
