### **Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett September 25, 2019**

*"Dear Children!*

*Today I am calling you to pray for my intentions so that I may help you. Little children, pray the rosary and meditate the mysteries of the Rosary because, in your life, you are also passing through joys and sorrows. In this way, you are transforming the mysteries into your life, because life is a mystery until you place it into God's hands. In this way, you will have the experience of faith like Peter who met Jesus and the Holy Spirit filled his heart. Little children, you are also called to witness by living the love with which, day by day, God wraps you with my presence. Therefore, little children, be open and pray with the heart in faith. Thank you for having responded to my call."*

### **Commentary on the September 25, 2019 Message**

*"Let victory be thine, O Mother. You will conquer. Yes, you have the power to overcome all heresies, errors, and vice. And, I, confident in your powerful protection, will engage in the battle, not only against flesh and blood, but against the prince of darkness, as the Apostle Paul says, grasping the shield of the holy rosary and armed with the double-edged sword of the divine word". (St. Anthony Mary Claret)*

*We do not know what is best for us; therefore, we do not always know what to pray for. The Holy Spirit knows how to pray within us, and so does our mother Mary know what is best for us. Our Lady tells us to pray for her intentions. That is the best way for her to help us. She tells us also to pray and meditate on the mysteries of the holy rosary. It is especially from the sacred mysteries of the Rosary that Jesus continues to win victories over evil through His Mystical Body, the Church. In her many apparitions, Our Lady reiterates that*

the Rosary should be prayed every day in order to help people return to Jesus and find peace.

Scripture tells us that Jesus is “the image of the invisible God, the firstborn of all creation.....”. If Jesus is the “firstborn” of God’s family on earth, then His life is our life as Our Lady says in this message. As the “firstborn of God’s creation, Jesus exemplified how we are to get through the joys and sorrows of life in anticipation of the glorious mysteries that will be our inheritance as children of God. The virtues that lead to sanctity are exemplified in the lives of Jesus Christ and His Immaculate Mother.

Our Lady also reminds us that life is a mystery until we place it into God’s hands. Like Peter when asked, “Who do you say that I am?”; we also echo his words, “You are the Christ, the Son of the living God.” When we can make his words our own, when we can take those words to our own heart, then and only then will life make sense and become transformed. The Holy Spirit will fill our hearts with love – for God and all of humanity.

Wrapped within the presence of Our Lady, we will bear much fruit by witnessing day by day to the miracle of God’s love manifested through our lives.

*“The recitation of the rosary allows us to fix our gaze and our hearts upon Jesus, just like His Mother, the supreme model of contemplation of the Son.” - Pope Benedict XVI*

### **Our Lady of Medjugorje’s Message Given to Mirjana Dragicevic-Soldo September 2, 2019**

*“Dear children, pray!  
Pray the Rosary every day - that wreath of flowers which, as a mother, directly connects me with your pains, sufferings, desires, and hopes. Apostles of my love, I am with you through the grace and the love of my Son, and I am asking for prayers of you. The world is in such need of your prayers for souls to be converted. With complete trust, open your*

*hearts to my Son, and in them He will inscribe the summary of His words - which is love. Live in an unbreakable connection with the Most Sacred Heart of my Son. My children, as a mother, I am telling you that it is high time for you to kneel before my Son to acknowledge Him as your God, the center of your life. Offer gifts to Him - that which He most loves - which is love towards neighbor, mercy, and pure hearts. Apostles of my love, many of my children still do not acknowledge my Son as their God; they have not yet come to know His love. But you, with your prayer pronounced from a pure and open heart, by the gifts which you offer to my Son, will make even the hardest hearts open. Apostles of my love, the strength of prayer pronounced from the heart - a powerful prayer full of love - changes the world. Therefore, my children: pray, pray, pray. I am with you. Thank you.”*
