Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett March 25, 2024

"Dear Children!

In this time of grace, pray with me for the good to win in you and around you. In a special way, little children, pray united with Jesus on His way of the Cross. Into your prayers put this humanity which wanders without God and without His love. Be prayer, be light, and be witnesses to all those whom you meet, little children, so that the merciful God may have mercy toward you.

Thank you for having responded to my call."

Commentary on the March 25, 2024 Message

When Jesus took the wine, He said "Now it is finished". Then He bowed His head and delivered over His spirit." (John 19:30)

Lent is our great opportunity for the good to win in us. Our Lady's message this month invites us to unite in prayer and follow Jesus on the way of the Cross. The way of the cross is a path of love. We love because God first loved us. Lent is the perfect time to pray for humanity who "wanders without God and without His love". We are called to live the way of Jesus. We are called to bring substance into our prayer and to follow in Jesus' footsteps.

We believe that God is discovered, encountered, and revealed to us by following the way of the

cross. Lent is also the perfect opportunity to live sacrificially – a life of kindness, mercy, compassion, humility, selflessness, and forgiveness. Living this way leads to life abundant, life in its fullness, for ourselves, and for those who do not yet know God – those who “wander without God and without His love”.

If our Lenten journey is truly living this way of Jesus – the way of the cross – we become prayer, we shine with the light of Christ, and we become witnesses to all those we meet.

In this time of grace, let us resolve to living out the kingdom of God so that God’s mercy will be our Easter joy. Our Blessed Mother has called, formed, and guided us, her dear children, through her messages given in Medjugorje. She has lit our path in these darkened days. Now, she calls us to let our light shine. The time is now to shine our light to all whom we encounter through our faith, hope, and love.

Our Lady reminds us that this is the time of grace. We cannot shine on our own. Grace is often defined as unmerited favor or getting what we don’t deserve. By grace we have been saved through faith, and that not of ourselves. It is the gift of God. By grace we are what we are; that is Our Lady’s prayer warriors in these dark times.

Let us accept the grace God bestows on us. Through this undeserved gift, let us make an imprint on the hearts of all those we meet so that those whom we meet will come to know God and His love. We are not alone in this mission. Our Blessed Mother is always with us!

When the centurion and those guarding Jesus saw the earthquake and other things taking place, they were terrified and said, “Truly this was the Son of God”. (Matthew 27:54)

The Annual Apparition of Our Lady to Mirjana Dragicevic-Soldo March 18, 2024

The visionary Mirjana Dragicevic-Soldo had daily apparitions from June 24th 1981 to December 25th 1982. During the last daily apparition, Our Lady gave her the 10th secret, and told her that she would appear to her once a year, on the 18th of March. It has been this way through the years.

*“Dear children,
by the merciful love of God, I am with you. That is why, as a mother, I am calling you to believe in love, - the love that is union with my Son.
With love you help others to open their hearts to come to know my Son and to come to love Him.
My children, love makes it for my Son to illuminate your hearts with His grace, to grow in you and to give you peace.
My children, if you live love, if you live my Son, you will have peace and you will be happy.
In love is victory.
Thank you.”*
