Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett April 25, 2024

"Dear Children!

I am with you to tell you that I love you and to encourage you to prayer, because Satan is strong and every day his strength is stronger through those who have chosen death and hatred. You, little children, be prayer and my extended hands of love for all those who are in darkness and seek the light of our God.

Thank you for having responded to my call."

Commentary on the April 25, 2024 Message

"Be self-controlled and alert. Your enemy the devil prowls around like a roaring lion looking for someone to devour. Resist him, standing firm in faith, because you know that your brothers throughout the world are undergoing the same kind of suffering." (1 Peter 5:8-10)

This month Our Lady tells us what we need to hear; especially She reminds us that She loves us. In our human nature we often think that love is just an emotion. Our Mother takes us to a higher level. Now it is time to pray for perfect love -- love that will change the world. Perfect love is sacrificial and purifying. Mary is preparing us and guiding us to perfect love.

Mary always leads us to prayer. We are living in serious, purifying times. Now our prayer must be transformative where God is working in our soul. Our time of prayer should be an encounter with Jesus and meditative. Ask Jesus for courage and strength in this time of evil. Finally, listen in silence to what Jesus tells us, and where He leads us. True faith is clinging to God. Now is the time to cling to Jesus.

In this April message, Mary reminds us that Satan is strong and getting stronger. He has succeeded in leading many souls to choose death and hatred. We are aware that evil is reigning around the world. We are hearing of wars and rumors of war, shootings, and murders almost daily. Evil has entered the political system. Persecution has entered our Churches. Families are being attacked and divided. Hateful, anti-Israel protests on college campuses are overrunning Universities. Jewish students are being attacked and persecuted. Trans gender, same sex marriages, sexual identity has become a choice. This has become legitimized and accepted. Yes, Satan's strength has indeed become stronger every day!

Our Lady has prepared us for such a time as this. She asks us to be prayer. In other words: to become what we profess. She asks us to be Her extended hands. How can we do as She has asked? We must meet oppression with prayer, love, and truth. We must meet the lost souls who are searching for the light right where they are. We must lead them to truth and the love of God.

We, our Ladies' prayer warriors, have been prepared for this mission. We can do nothing on our own. God is working through us. Nothing is impossible for God.
