## **Our Lady of Medjugorje's Message Given to Marija Pavlovic-Lunett May 25, 2024**

*"Dear children, in this time of grace, I am calling you to prayer with the heart. Little children, create prayer groups where you will encourage each other to the good and grow in joy. Little children, you are still far away. That is why continue to convert anew and choose the way of holiness and hope so that God may give you peace in abundance.*

*Thank you for having responded to my call."*

## **Commentary on the May 25, 2024 Message**

*"Again, I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by My Father in Heaven. For where two or three are gathered together in My name, I am there in the midst of them." (Matthew 18:19-20)*

Our Blessed Mother Mary asks us in this message to "create prayer groups." Mary assures us that in groups of prayer warriors, we can be encouraged in this time of fear and sadness which is the result of evil. When we are together in prayer, we become one body in faith, hope, and love. We are able to see and feel the good in life, and together we find joy and gratitude that we are not alone in these treacherous times.

Our Lady reminds us that we are living in a time of grace and mercy; therefore, we need not be afraid. Jesus is with us! Our prayer becomes more than words, rather, an experience of Jesus. We must seek His presence so that our prayer comes from our heart.

Jesus offers us great promises. When we are praying together in groups, we may ask for anything – health of body and spirit, grace for further and deeper conversion and God the Father will hear us and bring us peace. Now Jesus adds the reason the Father will do what we ask in Jesus' name. The key is not our personal power or merit. It is because when two or three are gathered in the name of Jesus, He becomes present with us. It is an assurance that He will, in some way, be present among us. It also explains why God the Father will grant these requests made by us, His disciples. It will be because Jesus is omnipresent – existing in all places, certainly, with us gathered in prayer. The fullness of joy comes only from the love of God.

In this age, as we carry out the weight of responsibility of responding to Mother Mary's call, we will share in the joy of the Triumph of her Immaculate Heart!

Unfortunately, we are victims of these confusing and evil times; therefore, we are "still far away" as Our Lady reminds us. Through daily prayer, we must choose the "way of holiness and hope". We must continue to ask for the grace to persevere in our ongoing conversion.

Our path will not be easy. With Mary's presence, guidance, protection, and grace, we will share in the Triumph of her Immaculate Heart. May God give us peace in abundance. Amen.
